## PRESS CLIPPINGS.

Tillman is getting a rest now from the newspapers. He is also giving the senate a little rest, but when the senate again departs from the straight and narrow path Tillman will rub his eyes and be found with his pitchfork right in the middle of the road, and we be to him who tries to walk over it—Louisville Dispatch.

The editors of county weekly papers display a wonderful ingenuity in devising and conscientious reminders to delinquent subscribers of the good they can do their country by paying up. One of the best of these reminders appeared in the last issue of the Lexington Dispatch, as follows:

"We are having a glorious time feasting on delicious dishes of blossoms sent in by subscribers. We appreciate their thoughtfulness as there is no dish that we are so fond of as tender cotton blooms. They are just the thing to allay the pangs of hunger, and fill the aching void occasioned by the neglect of delinquent subscribers."

**Don't Tobacco Spit and Smoke Your Life Away.**  
To quit tobacco easily and forever, be magnetic, full of life, nerve and vigor, take No-To-Bac, the wonder-worker, that makes weak men strong. All druggists, 50¢ or \$1. Cure guaranteed. Booklet and sample free. Address: **Reading Remedy Co., Chicago or New York.**

The American Monthly Review of Reviews for July contains a variety of important contributed articles. Among these we note Edward Gary's able and interesting character sketch of President Seth Low, Dr. Could's exposition of the plans of the City and Suburban Homes Company of New York City, for a model suburban settlement, Baro de Coubertin's vivacious account of "The Revival of the French Universities," General Greeley's survey of Higher Deaf-mute Education in American and Sylvester Baxter's sympathetic review of Edward Bellamy's new book.

## Do You Use It?

It's the best thing for the hair under all circumstances. Just as no man by taking thought can add an inch to his stature, so no preparation can make hair. The utmost that can be done is to promote conditions favorable to growth. This is done by Ayer's Hair Vigor. It removes dandruff, cleanses the scalp, nourishes the soil in which the hair grows, and, just as a desert will blossom under rain, so bald heads grow hair, when the roots are nourished. But the roots must be there. If you wish your hair to retain its normal color, or if you wish to restore the lost tint of gray or faded hair use **Ayer's Hair Vigor.**

**Chamberlain's Eye and Skin Ointment** is unequalled for Eczema, Tetter, Salt-Rheum, Scald Head, Sore Nipples, Chapped Hands, Itching Piles, Burns, Frost Bites, Chronic Sore Eyes and Granulated Eye Lids. For sale by druggists at 25 cents per box.

## TO HORSE OWNERS.

For putting a horse in a fine healthy condition try Dr. Cady's Condition Powders. They tone up the system, aid digestion, cure loss of appetite, relieve constipation, correct kidney disorders and destroy worms, giving new life to an old or over-worked horse. 25 cents per package. For sale by druggists.

It is a pleasant sight to see domestic animals cherish confidence in the persons who attend them. It is easily to see their confidence if always treated kindly. The teasing man or boy is a nuisance.

Beware of Ointment for Catarrh that Contain Mercury.

As mercury will surely destroy the sense of smell and completely derange the whole system when entering it through the mucous surface, such articles should never be used except on prescriptions from reputable physicians, as the damage they will do is ten fold to the good you can possibly derive from them. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., contains no mercury, and is taken internally, acting directly upon the blood and mucous surfaces of the system. In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and it is made in Toledo, Ohio, by F. J. Cheney & Co. Testimonials free. Sold by all Druggists, price per bottle, 75¢.

Dr. C. P. Craver, of St. Augustine, Fla., owns the oldest house in America, and lives in it, too. According to the deed in his possession, his Florida house was built in 1560 by a Frenchman.

## JOHNSON'S CHILL AND FEVER TONIC

Cures Fever in One Day.

You may hunt the world over and you will not find another medicine equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. It is pleasant safe and reliable. For sale by Dr. W. L. Wallace, Druggist.

Russia produces eight bushels of wheat to the acre and might produce twice or three times that quantity if the cultivation were as careful and systematic as in Germany or France.

Be on the look-out for the agent of the Columbian Encyclopædia. He will be in Williamsburg county in a few weeks. adv.

**Quinine and other fever medicines take from 5 to 10 days to cure fever. Johnson's Chill and Fever Tonic cures in ONE DAY.**

It is remarkable that some men will freely spend the last red cent they have for whiskey, get drunk and have the headache and feel awful sick, and then swear that they are not able to pay for their county paper. Lots of them do it.

**Jackson's "Prophetic" Prophecy.**  
The corporations and wealthy individuals who are engaged in large manufacturing establishments desire a high tariff to increase their gains. Designing politicians will support it to conciliate their favor and to obtain the means for profuse expenditure for the purpose of purchasing influence in other quarters. Do not allow yourselves, my fellow citizens, to be misled in this subject. It is a system of injustice, and if persisted in will lead to corruption and must end in ruin.—Andrew Jackson in 1828. F. W. Wallcut Address.

## Woman's Diseases

Are as peculiar as unavoidable, and cannot be discussed or treated as we do those to which the entire human family are subject. Menstruation sustains such important relations to her health, that when Suppressed, Irregular or Painful, she soon becomes languid, nervous and irritable, the bloom leaves her cheek and very grave complications arise unless Regularity and Vigor are restored to these organs.

**Bradfield's Female Regulator** Is a receipt of one of the most noted physicians of the South, where troubles of this sort prevail more extensively than in any other section, and has never failed to correct disordered Menstruation. It restores health and strength to the suffering woman.

"We have for the past thirty years handled Bradfield's Female Regulator, both at wholesale and retail, and in no instance has it failed to give satisfaction. We sell more of it than all other similar remedies combined."  
L. M. RANKIN & L. M. RANKIN, Atlanta, Macon and Albany, Ga.
