No Cure, No Pay.
That is the way all druggists sell Grove's Tasteless Chill, Tonic for Chills and Malaria. It is simply Iron and Quinine in a tasteless form. Children love it. Adults prefer it to bitter, nauseating Tonics. Price, 50c.

JOHNSON'S CHILL AND FEVER TONIC

Cures Fever In One Day.

In the American Monthly Review of Reviews for August the Rev. Dr. Francis E. Clark, of the Christian endeavor movement, has an interesting account of a visit to "The Two Republics of the Southern Cross," the Dutch Boer government in South Africa.

In 1862, when I served my country as a private in Company A, 167th Pennsylvania Volunteers, I contracted chronic diarrhoea. It has given me a great deal of trouble ever since. I have tried a dozen different medicines and several doctors without any permanent relief. Not long ago a friend sent me a sample bottle of Chamberlain's Colic Cholera and Diarrhoea Remedy, and after that I bought and took a 50-cent bottle; and now I can say that I am entirely cured. I cannot be thankful enough to you for this great remedy, and recommend it to all suffering veterans. If in doubt write me. Yours gratefully, Henry Steinberger, Allentown, Pa. Sold by Dr. W. L. Wallace, Druggist.

The other day, for some infraction of the rules of the household, a little fellow of this town was about to get a whipping. Just as the father was ready to commence operations, the child asked if he could go into the bed room for a moment. His father told him that he could. Tiptoeing to the door, the man, switch in his hand, saw the little fellow kneeling at the bedside and heard him say:

"O God, if you ever did want to help a little boy, now's your time!" That appeal sufficed. The prayer was answered and the whipping was postponed.—Walla Walla (Wash.) Statesman.

Quinine and other fever medicines take from 5 to 10 days to cure fever. Johnson's Chill and Fever Tonic cures in ONE DAY.

The letter "I" in the Chinese language has 145 ways of being pronounced, and each pronunciation has a different meaning.

"How often do you kill a man?" asked a passenger of a New London motorman the other day. "Only once," was the laconic reply.

A Boston millionaire, who recently died, made provision that his wife should receive each year exactly her own weight in pure gold.

William C. Ussery, M. D., of St. Louis, says that the best food for those suffering from typhoid fever is the banana.

"Let me give you a pointer," said M. F. Gregg, a popular conductor on the Missouri Pacific railroad. "Do you know that Chamberlain's Colic Cholera and Diarrhoea remedy cures you when you have the stomach ache? Well, it does." And after giving this friendly bit of advice, the jolly conductor passed on down the aisle. It is a fact that thousands of railroad and traveling men never take a trip without a bottle of this remedy, which is the best cure for bowel disorders in the world. 25 and 50 cent bottles for sale by Dr. W. L. Wallace druggist.

Quinine and other fever medicines take from 5 to 10 days to cure fever. Johnson's Chill and Fever Tonic cures in ONE DAY.

She—I always preferred June weddings. He—Yes. How many have you had?

It is always gratifying to receive testimonials for Chamberlain's Colic Cholera and Diarrhoea Remedy and when the endorsement is from a physician it is especially so. "There is no more satisfactory or effective remedy than Chamberlain's Colic Cholera and Diarrhoea remedy," writes Dr. R. E. Robey physician and pharmacist, of Olney, Mo.; and as he has used the Remedy in his own family and sold it in his drug store for six years, he should certainly know. For sale by Dr. W. L. Wallace, druggist.
