BRADFORD-MONROE.

Popular Young Lady of This City Married to Young Man From Marion.

On Wednesday afternoon at 5:30 at the residence of the bride's mother, Mrs. Jessie Bradford on East Liberty street, Miss Hennie May Bradford was married to Mr. Herbert C. Monroe of Marion, S. C., Rev. C. C. Brown performing the ceremony that united the two young people in the bonds of matrimony.

The wedding was a very quiet home affair and only a few of the relatives and friends of the bride and groom were present at the ceremony which was performed in the parlor of Mrs. Bradford's residence which was tastefully decorated in green with holly and smilax, the ceremony being performed with a bank of ferns forming the background.

Mr. Robert Baker, of Marion acted as best man for the groom while Miss Jaunita Bradford, a sister of the bride, was maid of honor. The wedding march was rendered by Miss Olive Nettles.

Before the wedding at 2:30 p. m. a dinner was given to the bridal party by Mrs. Bradford.

Immediately after the ceremony the happy young couple left on the 6:30 train for Winter Green, Fla., going by way of Charleston, where they will make a stay of ten days. After that time they will be at home to friends in Marion, where the young couple will reside in the future.

Miss Bradford is well known in Sumter and has many friends who wish her much happiness in her married life.

The out-of-town guests at the wedding were:

Messrs. Robert and Benjamin Baker, Willie Monroe, Leon and John Owens, Misses Furman and Odessa Wall and Rev. G. T. Gresham.

In The Police Court.

There were only three cases to be tried by Recorder Lee in the Police court on Tuesday and these three did not net the city a very great amount of funds.

Joe Glenn, up on the charge of assault and battery, plead not guilty to the charge. The Recorder, after hearing the evidence thought that Joe was not guilty too and let him go free.

Ada Wright and William Thomas were charged with creating a disturbance at a dance Monday. Ada was forced to pay a fine of \$5 or to serve 10 days, while Willie was told that he might go.

Minnie Benjamin was called up on the charge of stealing from Cobb's store but as there was no one to prosecute the case she was dismissed.

COUNTY BOARD MEETS.

Little Business Transacted at Regular Meeting Held Tuesday in the County Supervisor's Office.

There was very little business transacted by the County Board Tuesday when it met in the office of the County Supervisor and the Board held only a short session.

After the minutes of the previous meeting had been read and approved the claim of Mr. J. F. Anderson was brought up. Mr. Anderson had made a claim of \$50 for damages done to his horse in falling through a bridge over Black river. The matter had been deferred for action from the last meeting of the board so that they would have time to look into it and see if they were liable for the damages done to the horse. After due consideration it was decided that the board under the law had no authority to pay Mr. Anderson the damages he had asked for and his claim was refused.

Mr. P. M. Pitts and Mr. J. I. Brogdon reported on the matter of the new roads petitions brought before the board at its last meeting by Messrs. D. B. Brunson and others and London and others. These gentlemen recommended that the petition for a road from the Radical road at the Fullwood place to the Zoar road be granted while action be postponed for the present on the road from the Boulevard to Britton's siding. It was then moved and carried that the county accept the road from the Fullwood place to a point on the Zoar road at the five-mile post from Sumter on the A. C. L. railroad, provided that the right of way be granted to the county and the road hands remove the stumps and other obstacles from the road. The roads petitioned for were near together and it was thought best to grant the one of them which was necessary and it was thought would do for both.

In The Police Court.

There was only one case heard in the Recorder's court on Wednesday and this one case did not consume much of the Recorder's time, while it added "bucks" to the city treasury.

Lilly McCollum, colored, was charged with stealing an umbrella, which she denied most emphatically—even if Tuesday was a rainy day and umbrellas were in great demand. Despite her protest to the contrary she was found to be guilty and sentenced to part with \$10 of her hard-earned money or to serve 20 days.

Mr. S. W. Raffield who has managed the Witherspoon plantation in the Brick Church section for the past six or eight years, will have charge of Mr. H. J. McLaurin, Jr.'s place on the Plowden Mill road this year.
