There are two drives for liberty in progress at this time—our soldiers overseas are giving their service and offering their lives in the great battles that are in progress on every front and they are driving the barbarous Huns before them like chaff; in America committees of public spirited citizens are devoting their time and energy to the campaign for the Fourth Liberty loan. In the overseas campaign our boys are giving their lives freely and patriotically; in the campaign at home the people are asked to lend a part of their savings to the government. Only a slacker or an enemy of liberty will refuse to lend his dollars to help win the war when his son, brother or friend is giving his life to save America from the fate of Belgium.

A well informed citizen of Sumter county who has exceptional sources of information respecting the cotton crop estimates that the yield of the county this year will be at least forty thousand bales.

Game Warden Frank Brunson states that he and all deputy wardens in Sumter county are doing their utmost to round up all who violate the game law, either by shooting game out of season or hunting without a license. The license costs only \$1.10 for the year, while the fine for hunting without license is \$25.

**DON'T BE MISLED.**

Sumter Citizens Should Read and Heed This Advice.

Kidney trouble is dangerous and often fatal. Don't experiment with something new and untried. Use a tested kidney remedy. Begin with Doan's Kidney Pills. Used in kidney troubles 50 years. Recommended here and everywhere.

A Sumter citizen's statement forms convincing proof.

Mrs. G. H. T. Dale, 18 Saratoga St., Sumter, S. C.: "A good many years ago I had trouble with my back and I surely was in misery. My head ached and I was all unstrung. I had dizzy spells and I felt tired and languid. My kidneys didn't work right and it worried me until I read about Doan's Kidney Pills and began using them. One box of Doan's cured me of all the complaint and I haven't had to use a kidney medicine since."

Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Tisdale had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.—Advt (59)

**Football Friday, October 4.**

The Sumter High School football team will meet the strong St. Matthews football team on Sumter's gridiron on October 4th. This team comes to Sumter with the reputation of having a good husky and fast team. It will be remembered by those that witnessed the game last year that St. Matthews whipped Sumter to the tune of 10 to 7, but this year the boys are much stronger and are all experienced men while last year they were all new.

The boys this year have been putting in some hard practice. On Friday last they played a regular game and they showed up well. This year will be seen in a uniform and the people of Sumter will not have the trouble that they have had to distinguish them from the visitors.

We have formed an Athletic Association and any child can get a ticket for \$2.00, and the adults for \$4.00. This will admit you to four football games, four basketball games and four baseball games. Or the public will be able to buy them for each season at a reduced price.

We have scheduled a number of games to be played here this year, but it will be impossible for us to play them here if the people of Sumter do not come out and lend us their support financially and by attending the games. The admission for the game Friday will be only a little advanced this year on account

of the increase in railroad rates. The admission will be children 20c, ladies, 20c and adults 35c.

**Building Committee.**

The following will compose the Building Committee for the County Council of Defense:

A. C. Phelps, Chairman; E. I. Reardon, Secretary; Judge R. O. Purdy, Hon. R. D. Epps, O. H. Polley.

Under the ruling of the War Industries Board, all requests for building permits or improvements to property until further notice must be submitted to this committee for investigation. The findings of the committee will be reported to the State Council of Defense headquarters and by the massed on to the War Industries Board at Washington.
