SAD TRUTHS.
It's a dumb woman who doesn't talk about her neighbors.
And it's a deaf man who hasn't heard a least three new Ford jokes.
—O. J. Coffin.
New York City is spending more for education than all the Latin-American countries combined. In the Argentine Republic 50 per cent of the population is illiterate; in Mexico 82 per cent, and in Brazil 84 per cent.

CALOMEL DYNAMITES A SLUGGISH LIVER
Crashes Into Sour Bile, Making You Sick and You Lose a Day's Work.
Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it, causing cramping and nausea.
If you feel bilious, headachy, constipated and all knocked out, just go to your druggist and get a 50 cent bottle of Dodson's Liver Tone, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful and if it doesn't start your liver and straighten you up better and quicker than nasty calomel and without making you sick, you just go back and get your money.
If you take calomel today you'll be sick and nauseated tomorrow; besides, it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It's harmless, pleasant and safe to give to children; they like it.

SERVICE

It is our aim and desire to give all of our patrons the best service possible at all times and we consider it a favor, and not a kick, when they call our attention to any fault they may find with the service. If you see a street light out; if the water is not perfectly clear, or if your lights are too bright or not bright enough, call our attention to the fact, and we shall see that the trouble is remedied. If any of your lights are out of order, let us know, and we shall have them put in order without any cost for you.
