One Pair of Eyes to a ...Lifetime...

Are you abusing and neglecting yours? If, so, you will pay the price later. More than two-thirds of all headaches arise from eye-strain. Dim vision, aching, burning eyes that soon tire, granulated lids and many other ills are due to some form of eye strain. In such cases there is but one remedy and that is an unailing one—properly fitted glasses.

SCHOOL CHILDREN should have their eyes carefully examined before being taxed by study and if necessary, fitted with glasses.

An examination will cost you nothing, and if there is no need for glasses I will tell you so. My prices for glasses are very reasonable and I stand back of every pair with an absolute guarantee of satisfaction.

A CHILD GETS CROSS, SICK AND FEVERISH WHEN CONSTIPATED

Look, Mother! If Tongue is Coated Clean Little Liver and Bowels.

If your little one's tongue is coated, it is a sure sign the stomach, liver and bowels need a gentle, thorough cleansing at once. When your child is cross, peevish, listless, pale, doesn't sleep, eat or act naturally; if breath is bad, stomach sour, system full of cold, throat sore, or if feverish, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged-up, constipated waste, sour bile and undigested food will gently move out of the bowels, and you have a well, playful child again.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. Get the genuine made by "California Fig Syrup Company."

Mrs. Martin, a most devoted mother, anxious that her two boys, aged six and eight respectively, should not become contaminated by contact with the world, was in the habit of sitting in the next room to the boys, reading while they went to sleep.

One night while she was thus engaged she overheard this:

"Walter?" No reply. "Walter?" No reply, then a sounding punch of a fist, followed by an animated, "Go to h—; I'm saying my prayers."

Pale Faced Women Take Phosphates to Make Rosy Cheeks and Beautiful Forms. Men Need Phosphates to Make Strong, Healthy, Vigorous Bodies.

Athletes Increase Their Strength, Energy and Endurance 200% or More by Simply Taking a Few Weeks Treatment of Argo-Phosphate.

Atlanta, Ga. Dr. F. A. Jacobson says that Phosphates are just as essential to any man or woman who tires easily, is nervous, or irritable, worn out, or looks haggard and pale to make a strong, robust, vigorous healthy body, as they are to cotton to make it grow. The lack of Phosphate is the cause of all enemic conditions and the administration of 5-grain Argo-Phosphate tablets will increase the strength and endurance of weak, nervous, care worn men and women 300 per cent, in two or three weeks time in many instances, and their continued use will build up the whole nervous system, and give new life, vim, vigor, and vitality to the whole body. I always prescribe Argo-Phosphate to patients who are pale and colorless, and it is surprising to see how quickly a few weeks treatment will transform a pale face to a rosy checked beauty. There can be no rosy checked, healthy, beautiful women, without their system is sufficiently supplied with Phosphates. In recent interviews with physicians on the grave and serious consequences of a deficiency of Phosphates in the blood of American men and women, I have strongly emphasized the fact that doctors should prescribe more phosphates in the form of Argo-Phosphate for weak, worn out, haggard-looking men and women. When the skin is pale, and flesh flabby, it is a sign of anemia. When the phosphates go from the blood, the pink cheeks go too. The muscles lack tone. They become nervous, irritable, despondent, melancholy, the brain fags, and the memory fails. Therefore if you wish to preserve your youthful vim, vigor and vitality, to a ripe old age, you must supply the deficiency of Phosphate lacking in your food by using Argo-Phosphate, the form of Phosphates most easily assimilated.

NOTICE: Argo-Phosphate which is recommended and prescribed by physicians in all enemic cases, is not a secret or patent medicine, but one that is sold and recommended by well known druggists everywhere, and physicians are daily subscribing the constituents contains in it. Being entirely unlike many other Phosphates, it is easily assimilated and will be found effective in the treatment of indigestion and stomach troubles, as well as for care worn, nervous conditions. The manufacturers of Argo-Phosphate will forfeit to any charitable institution \$200.00 if they cannot treat any man or woman under 65 who lacks Phosphates, and increase their strength and endurance from 100 per cent. to 300 per cent. or more in one month's time, if they are free from organic trouble. It is dispensed by all reliable druggists.

If your druggist will not supply tories, 10 Forsyth St., Atlanta, Ga., and they will send you a two weeks' you, send \$1.00 to the Argo Laboratory by return mail.
