

FROM A WOMAN'S VIEWPOINT

Young People Enjoy Mr. and Mrs. White's Hospitality.

Mr. and Mrs. A. L. White entertained thirty young friends Wednesday evening in honor of their young guests, Miss Colcock and Miss Holmes. Progressive euchre was enjoyed, Miss Jessie Thompson and Isaac Phifer winning the prizes which were a handsome gold belt buckle and a silver hat brush. Though Misses Colcock and Holmes have been in Spartanburg but a short time, they have made a number of friends here already and on Wednesday evening added many more to the number.

Master Frank Montgomery and Miss Kate Lois Montgomery entertained a large number of little friends this afternoon at a beautiful lawn party.

Federation Delegates.

At yesterday's meeting of the Kennedy Library Association the following delegates were chosen to represent the association at the coming Federation: Mrs. L. J. Blake, Mrs. J. W. Allen, and Miss Horner.

Headquarters for Visiting Clubs.

The Argyle hotel has been selected as headquarters for the club women during the coming Federation on May 20 to 24. Mail may be sent here. Committees will be provided with rooms and the courteous proprietor, Mr. Hester, has generously offered to render every assistance to the committees in the entertainment of these club guests. He will entertain all visiting club women, those not delegates, at the nominal rate of \$1 per day. Many visiting ladies are expected to attend from neighboring towns for a day or two.

What's the Use?

At Los Angeles the other day an officer of the Federation of Women's Clubs was called to order on the ground that she was talking about her self instead of making her report. Why, if feelings like that

rich harmonies and flowing melodies.

Among the soloists have been Mme. Evta Kileski, Miss Janet Spencer, Glenn Hall, Gwilym Miles, Alfred DeVoto, pianist; Carl Webster, violinist and David Bishopham who appeared in the concert given in honor of Prince Henry. The Boston Festival Orchestra, under the direction of Emil Mollenhauer, has done some excellent work. Altogether the festival has been a great success and those who have attended have felt more than amply repaid.

Beauty is Health.

Walnut Lake, Ark., June 8, 1900.
I thank you for the benefit I received from your advice and the Wine of Cardui I took in my terrible condition. My life was no pleasure to me at all and I was of no use to anybody. After receiving your advice and medicine I commenced taking it and began immediately to improve. The pains left me and the menses, which came at the correct time, continued three days. I have gained strength and my weight has increased. My husband says the medicine has made me better looking than ever before.
Mrs. LIZZIE MANNELL.

Womanly health means bright eyes, rosy cheeks, clear complexion and elasticity of form. This is the youth unmeasured by years—the beauty of perfect womanhood. Beautiful women are happier and get more out of life than their sisters whose faces indicate suffering. Wine of Cardui made Mrs. Mannell "better looking" and infinitely happier because it cured her of those terrible pains. But she is no exception.

WINE OF CARDUI

is giving thousands of women health, beauty and freedom from the dragging pains which made their lives so miserable. Wan faces, haggard eyes and emaciated forms are the results of suffering. What suffering can compare with the tortures of irregular menstruation, leucorrhoea and falling of the womb! Beauty flees quickly before the ravages of such disease. The sharp pains of falling of the womb deepen the creases in the face. Menstrual irregularities rob the eye of its fire and the complexion of its transparency. Leucorrhoea drains the body of its strength, but Wine of Cardui restores the natural beauty, brightens the eye, clears the complexion, rounds out the figure and brings back the vigor of health. Every druggist carries \$1.00 bottles of Wine of Cardui.
