Florida Lands for Sale.
THE following valuable Tracts of LAND, lying in Marion and Alachua Counties, will be offered at private sale during the months of October, November and December, next, viz: "WETUMPKA HAMMOCK," situated about ten miles North of Ocala, (the County Seat of Marion County,) containing 3,000 acres, about one half of which is hammock, unsurpassed by any in the State, and the remainder White Oak and Hickory land.
A TRACT, well known as the "Tort Drane" Plantation, containing 3,000 acres of Land, principally first quality hammock, between four and five hundred acres of which are thoroughly cleared and at present in cultivation. This place for several years averaged two hog-heads of Sugar to the acre, and every year that it has been cultivated has produced fine crops of Corn and Cotton. These tracts could readily be divided into two or three plantations, each being surrounded by high rolling pine land.
A TRACT of 1,000 acres on Orange Lake, consisting of hammock, orange grove and well-timbered pine land.
TWO TRACTS of 1,000 each, near the Alchua Prairie. The greater part of these tracts is rich hammock.
Also, 5,000 acres on Indian river. Any one wishing to cultivate Sugar Cane would do well to examine this land, as, being remarkably fertile, and lying south of the region of frost, it is as well adapted to that culture as any in the United States.
12,000 acres, generally known as the "BAYARD TRACT," situated on the St. John's River, opposite Picolata. There are many small hammocks and orange groves on this tract, but it is principally valuable for its pine timber. It has a river front of 7 or 8 miles.
1,000 acres on Lake George, and several small tracts on and near the St. John's river, well situated for farming, the raising of orange groves, &c.
The above tracts of Land were purchased by the late Gen. Clinch immediately after the accession of Florida to the United States. From his position at that time, his facilities for selection were unusually great, and it is believed they include as good land as can be found in the State.
On account of their accessibility from Charleston and Savannah, they offer great inducements to planters in Carolina and Georgia wishing to remove.
The titles are clear and indisputable.
Terms cash, or payable at Charleston or Savannah, on or before the first of January.
Any further information on the subject, can be obtained by addressing the subscriber, at Orange Spring, Marion County, Florida.
J. H. M. CLINCH, Ex'or.

Timely Hints to All.
FRIENDS.—Reader, if you have a valued friend, in whose welfare you feel an interest, that friend will prize, as a precious memorial, your Daguerrotype Miniature, if taken in SQUIER'S peculiar style.
PARENTS.—If you are still blessed with Parents, and no Artist's Pencil has or can truly trace the lineaments of his or her familiar face or form, you may well not part with wisdom to advise or persuade them to visit, without delay, SQUIER'S Daguerrotype Rooms, and have their Miniatures taken in his superior style of art.
TO ALL.—How many have lost a Father, a Mother, a Sister, a Brother, or an innocent prattling child, and have not even the shadow of a resemblance to look upon. After the separation, some "little toy" or trifling article is often kept for years, and cherished as a token of remembrance. How much more valuable would be one of SQUIER'S perfect Daguerrotype Miniatures of the "loved and lost."
There is scarcely any one who does not take pleasure in gazing on the features of a friend, and, when that friend has been removed by death, we often hear the exclamation uttered with an expression of deep regret, "Oh, what would I not give for such a picture of my friend."
Reader, perhaps you cannot do a better thing, while your mind is upon the subject, than take an hour or two now, and visit the gallery; then you may, at some future period, have reason to feel grateful for these "Gentle Hints" from
SQUIER'S DAGUERREAN GALLERY.

Resolved, That the Managers of Elections, prior to their proceeding to the elections, do take the following oath of affirmation before some magistrate, or one of the Managers of Elections, to wit: "That they will faithfully and impartially conduct and attend to the foregoing elections, agreeably to the Constitution of the State of South Carolina and the laws thereof."
Resolved, That in future, no person qualified to vote for members of each branch of the Legislature, shall be permitted to vote in more than one election district or parish, and the Managers of Election throughout the State are hereby required and directed, if they think proper, (or on application of any elector present) to administer to any person or persons offering to vote, the following oath:
I, A. B., do solemnly swear (or affirm, as the case may be) that I have not, at this general election for members of the Legislature, voted in this or any other district or parish, and that I am constitutionally qualified to vote—so help me God.
And if any person or persons, required as aforesaid to take said oath or affirmation, shall refuse to do so, then the Managers, in their respective Districts or Parishes, shall be, and they are hereby required and enjoined to refuse such vote or votes, and in case the Managers shall refuse to require the oath as aforesaid when demanded, they shall be liable to all the pains and penalties they would be liable and subject to for neglecting any other duties required of them as Managers of Elections for either branch of the Legislature.

But if any person have his home in the State, he does not lose the right of residence by temporary absence with the intention of returning, but if one have his home and family in another State, the presence of such person, although continued for two years in the State, gives no right to vote.
