YOU CAN'T MAKE A HORSE DRINK

If he doesn't want to, but you can make him eat if you go about it in the right way. If your horse is "off his head," put before him a meal of our hay and grain, as per our instructions, and it will not be long till he begins to nibble, soon after he will go into it as though he were starved, will eat it greedily and then look around for more; ask us how its done? Feedstuff that your horse will relish can be had at
