

## Nadine Notes

Mrs. Lizzie Rice of Knowles, came down Friday to attend the box supper. She is the guest of Miss Cynthia Wise.

Winfred Knowles and lady were in Nadine a while Sunday.

Bob White, D. E. House and Paul Dunbar all went to Lovington Monday in the Dunbar Ford.

E. C. Houston and wife returned from Jal one day last week where they had been visiting relatives.

Jack Miller who fell from his loaded wagon and then was run over by it is doing nicely and we hope to see him up and about soon.

Quite a number of the Eunice singers came up Sunday and enjoyed singing for and with the Nadine class.

Rev. Toby filled his regular appointment Sunday and of course we had dinner on the ground.

The box supper at Nadine was quite a success Friday night in a financial as well as a social way. About \$65 was made for the singing class except to buy an organ and some lights for the school.

J. J. Mathews had business in Lovington Monday.

Jno. Jackson returned from a trip to Midland Tuesday.

E. R. Bales was thrown from his horse Sunday morning and very painfully, though not seriously hurt. The horse which he was breaking attempted to jump a gate and fell on the rider. Dr. Black Foster were called, but found no bones broken only a dislocated shoulder.

L. L. Bugg came in from Toyah, Texas, last week in time for the box supper.

Nadine boasts of a laundry basket now, and many people are proud that they can patronize the laundry at Lovington.

It is reported that B. H. Turner of Knowles bought out Turner

Boswell of Hobbs. Never learned particulars.

The tippers of the light fantastic toe enjoyed themselves at the home of D E House Friday night after the box supper.

Mrs. Bob Houston has been on the sick list the past week.

There were three families from Midland in Nadine last week, two of them looking for places to rent. We learn that one Mr. Houston secured a place.

H. D. McKinley seems to be very well pleased with his new home since he moved up near Hobbs.

John Roden of Alabama, brother to Jim Roden of this place and a school mate to many of the boys and girls here came in Thursday afternoon for a visit to relatives and friends after an absence of over two years.
