"When our boys were almost dead from the whooping cough, our doctor gave One Minute Cough Cure. They recovered rapidly," writes P. B. Bell, Argyle, Pa. It cures coughs, colds, grippe and all throat and lung troubles. Copper Queen store.

D. W. Mitchell, the Los Angeles mining man, came in yesterday from his claims on the west side of the mountains, where he has a number of men at work driving a tunnel to open the ore body recently discovered in the shaft.

"It did me more good than anything I ever used. My dyspepsia was of months' standing; after eating it was terrible. Now I am well," writes S. B. Keener, Stealington, Kas., of Kodol Dyspepsia Cure. It digests what you eat. Copper Queen Store.

The Copper Queen band were on hand at the depot on Saturday to welcome the incoming mining engineers and gave a concert on the plaza for their benefit after their return from the Holbrook. In the evening the boys were on hand in front of the Masonic hall and played a number of excellent pieces.

The portion of the Wallace building fronting on Main street, and occupied by Harris & Greiner, is being refitted and painted. When completed the work will add very much to the appearance of the place.

ACKER'S DYSPEPSIA TABLETS ARE SOLD on a positive guarantee. Cures heart burn, raising of the food, distress after eating or any form of dyspepsia. One little tablet gives immediate relief. 25 cts. and 50 cts. For sale at Bisbee Drug Store.

When you see two or three men in conversation today you may be reasonably sure that they are either discussing the war in South Africa or the yacht race. However, the amicable settlement of the differences between the gentlemen connected with the Cobre Grande Company is also the subject of much congratulatory conversation among those having the business interests of Bisbee at heart.

The board of health in San Francisco have, upon recommendation of the best medical authority, ordered the Old Government Special Reserve whisky to be distributed among the sick, and invalids of the returning soldiers. Sold exclusively by Dubacher & Muhm. c10

The stage from the Canaan when near the line house on Railroad avenue, was accidentally turned over the bank, down on to the railroad track, a distance of about fifteen feet. F. B. Wightman, of the Cobre Grande Company, was badly bruised about the legs, while the driver was thrown a considerable distance and remained unconscious for several hours. He was taken to the hospital, where his wounds were dressed. The other passengers escaped with a few slight bruises, while the wagon itself is a complete wreck.

To persons newly arriving in Bisbee and especially to one not familiar with the working of mining camps, it would seem that there was quite a considerable portion of its population unemployed. The presence of a large number of people on the streets and about public places during the greater number of hours of the twenty-four, is simply the result of the working of the mines and day reduction works both night and day, many of the employees in the mines working eight hour shifts, others nine and ten; consequently at all hours there are a large number on duty, but it is doubtful if there is any town of the size of Bisbee where there are fewer persons unemployed.

Allen English is confined to his room at the Queen hotel with a slight attack of pneumonia.

Mr. Ferguson, one of the proprietors of the Bisbee drug store, left this morning for Los Angeles on a short visit.

WANTED—Position as second cook in restaurant or as camp cook. Satisfaction guaranteed. Call at Orb office. 2c

George F. Meek, the well known newspaper man, arrived yesterday from Phoenix and has accepted a position on the Orb.

J. H. Wood, Con. O'Keefe and others of the Costello clan left this morning for Jerome and Phoenix, having vacated these flats.

The family of David Reed, the foreman of the A. & S. E. round house, arrived Sunday from Sacramento and will make their future home here.

Quite a force of men are employed in loading coke from the huge piles stored opposite the depot for removal to the bins above.

J. C. Colquhoun, of the Detroit company at Morenci, remained over until yesterday, taking in the sights of the copper camp.

Harry Riddler, of San Diego, who so successfully managed the culinary department of the banquet given to the mining engineers, returned to that place this morning.

James Rose returned yesterday from Tucson, where he went to witness the games between El Paso and Tucson. El Paso captured three straight, and the Tucson boys are consequently somewhat sore.

No small part of the success of the banquet given to the mining engineers is due to Mrs. Crossey, who worked early and late, assisting in all things to make it the event that it was.

Moki Tea positively cures sick headache, indigestion and constipation. A delightful herb drink. Removes all eruptions of the skin, producing a perfect complexion, or money refunded. 25 cts. and 50 cts. For sale at Bisbee Drug Store.

W. T. Wright has been in town for some days from his camp in the Dragoons, twelve miles east of Tombstone. In that vicinity he is interested jointly with J. B. Angus, Bert Gilman and J. F. Wright in some very promising gold properties, which are being developed. On one claim, at a depth of fifty feet, they have a lead four feet in width, with an eighteen-inch streak averaging \$80 in free gold. Other claims of the group also show up well so far as developed.

The reports of the explosion of powder near the surface of the ground that have been recently heard in town remind us of the Phoenix Republican's correspondent's report last year of the reception of Col. Brodie. The report of the explosions of giant powder were in the correspondent's report referred to as the "booming of cannon on the hillsides." However, Mr. Smalley has since then learned more of mining camps and the probable absence of cannon from them, at least in Arizona during this decade.

Joseph Beebe while out hunting yesterday afternoon, was bitten on the hand by a rattlesnake. Ed Wittig, who was with him, immediately tied a rope around his wrist to stop the circulation of the blood and brought him to town. On the way they met a fellow companion who had a flask of whisky, this they gave Joe to offset the poison. Upon arrival here he was taken at once to the doctor's office where his hand was dressed. This morning he was doing nicely; his arm was somewhat painful as far as the shoulder and his hand still swollen to twice its natural size. It is now thought no fatal result will occur from the bite.

### Played Out.

Dull headache, pains in various parts of the body, sinking at the pit of the stomach, loss of appetite, feverishness, pimples or sores are all positive evidence of impure blood. No matter how it becomes so it must be purified in order to obtain good health. Acker's Blood Elixir has never failed to cure Scrofulous or Syphilitic poisons or any other blood diseases. It is certainly a wonderful remedy and we sell every bottle on a positive guarantee. Sold by J. S. Williams & Co.
