The custom of working over tailings a second and third time has been practiced, leaving a margin over and above the expenses. This will undoubtedly apply to the old tailings at Mammoth as it does on the Hassayampa near Wickensburg. Our townsman, W. C. Davis, is authority for the above.—Star.

Made to Measure Clothing

Our line of samples for Spring is now ready. All the weaves and textures in all the shades permissible, or that you'd be apt to want, are represented. The samples are many, running up into the thousands, and are from seven of the leading and largest merchant tailoring establishments in the country, every one of which is eager for business. This competition insures you more perfect clothing in style, make-up and material than if we confined our tailoring business to one establishment only.

Whether you have immediate clothing wants or not, to look over the samples, to see what's new in clothing, is not without interest. This we want you to feel perfectly free to do.

It seems almost needless to add that we guarantee a fit. Were it otherwise it would be a libel to call it "made to measure clothing." However, we reiterate, a fit guaranteed or the loss is ours.

CHILDREN'S DRESSES At New and LOWER PRICES.

Twice a year, July and January, we reduce the price of every Misses' and child's Dress in stock. The benefits of this reduction are mutual. If you've need of dresses you effect a saving; we get our stock in shape to receive the new things of the season that follows. This explains why Dresses are:

\$1.00 now instead of \$1.25 and \$1.50
1.25 now instead of 1.75
1.50 now instead of 2.00
1.75 now instead of 2.25 and 2.50
2.00 now instead of 2.50 and 2.75

The Dresses are of cotton and cotton and wool novelty goods, some are of flannel. They are variously made and trimmed, and sizes are from 2 to 14 years.

A TWICE TOLD TALE OF REDUCTIONS. The Prices are an Excuse for the Repetition.

The Trimmed Hats

At half—by actual count 24 left—including Ladies' and Misses. The hat you'd choose from many may be here yet. If so, the price is just half of what it was.

Golf Capes
