Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever, that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and am now well and strong. I can't say too much in its praise." This marvelous medicine is the surest and quickest world for all throat and lung trouble. Regular size 50 cents and \$1.00 trial bottle free at Copper Queen store and Bisbee Drug Co.; every bottle guaranteed.

**An Editor's Life Saved by Chamberlain's Cough-Remedy.**

During the early part of October, 1890, I contracted a bad cold which settled on my lungs and was neglected until I feared that consumption had appeared in an incipient state. I was constantly coughing and trying to expect something which I could not. I became alarmed and after giving the local doctor a trial bought a bottle of Chamberlain's Cough Remedy and the result was immediate improvement, and after I had used three bottles my lungs were restored to their healthy state.—R. S. Edwards, Publisher of the Review, Wyant, Ill. For sale by all druggists.
