His Life Was Saved.
 Mr. J. E. Lilly, a prominent citizen of Hannibal, Mo., lately had a wonderful deliverance from a frightful death. In telling of it he says: "I was taken with typhoid fever, that ran into pneumonia. My lungs became hardened. I was so weak I couldn't even sit up in bed. Nothing helped me. I expected to soon die of consumption, when I heard of Dr. King's New Discovery. One bottle gave great relief. I continued to use it, and am now well and strong. I can't say too much in its praise." This marvelous medicine is the surest and quickest world for all throat and lung trouble. Regular size 50 cents and \$1.00 Trial bottle free at Copper Queen store and Bisbee Drug Co.; every bottle guaranteed.

An Editor's Life Saved by Chamberlain's Cough Remedy.
 During the early part of October, 1896, I contracted a bad cold which settled on my lungs and was neglected until I feared that consumption had appeared in an incipient state. I was constantly coughing and trying to expect something which I could not. I became alarmed and after giving the local doctor a trial bought a bottle of Chamberlain's Cough Remedy and the result was immediate improvement, and after I had used three bottles my lungs were restored to their healthy state.—B. Copper Colored Splotches.
 There is only one cure for Contagious Blood Poison—the disease which has completely baffled the doctors. They are totally unable to cure it, and direct their efforts toward bottling the poison up in the blood and concealing it from view. S. S. S. cures the disease positively and permanently by forcing out every trace of the taint.
 I was afflicted with a terrible blood disease, which was in spots at first, but afterwards spread all over my body. These soon broke out into sores, and it is easy to imagine the suffering I endured. Before I became convinced that the doctors could do no good, I had spent a hundred dollars, which was really thrown away. I then tried a variety of the patent medicines, but they did not reach the disease. When I had finished my first bottle of S. S. S. I was greatly improved and the disease disappeared. My chest began to grow paler and smaller, and before long disappeared entirely. I regained my lost weight, became stronger, and my appetite greatly improved. I was soon entirely well, and my skin as clear as a piece of glass.
