

HOW IT CAME ABOUT THAT THE RIVAL KINGDOMS OF NEBERANTERBERGENSTEIN AND WILDHOHENSONEUALD WERE UNITED.

(Copyright, 1907, by Mitchell & Miller.)

Not Pride, But Caution.
Sweet Girl—Mother, Mr. Nicefellow is coming to take me out riding this afternoon. I may go, mayn't I?
Mother—If he drives up with a span of spirited horses, you can go; but if he comes with that broken-down old nag he had last time, you shan't.
"Why, mother, I didn't suppose you would ever have such foolish pride."
"My dear, a young man who comes with a pair of spirited horses expects to drive with both hands."—N. Y. Weekly.

One Way of Looking at It.
Minnie—O, I'm superstitious about Friday!
Ida—Would you decline a proposal on Friday?
Minnie—Well—ah!—if it were satisfactory in other respects I might think it unlucky to decline.—Chicago Tribune.

Fetched.
"So a mere bonnet brought you to this?"
"Yes," sobbed the culprit. "It was very fetching."
She was thereupon remanded to custody until it could be decided whether her act was kleptomania or grand larceny.—Town Topics.

The Old-Fashioned Oriental Way.
They send no glittering statements out when a bank goes to smash in China. To show 'tis solvent beyond a doubt. When a bank goes to smash in China. No pitying tears you see them shed. But they take a big cheese knife instead, and amputate the president's head, and banks never break in China.—Chicago Tribune.

The Life Line.
First Passenger—Oh, yes; I know those southern railroads very well. I've been riding on this line all my life.
Second Passenger—That so? You must have got on a little sooner than I did.—N. Y. Truth.

Not Nature.
He—Nature abhors a vacuum.
She—Yes; but nature probably never sat up all night, hoping, every time she yawned, that he would take the hint. Then he grabbed his hat and went.—Cleveland Leader.

An Appropriate Gift.
"Henry, I bought a beautiful book for Bridget."
"What is it?"
"It is called 'The Autocrat of the Kitchen Table.'"—Chicago Record.

A clever Parisian has invented a machine which can split one human hair lengthwise into 36 strips.

How It Worked.
"That woman getting her purse snatched out of her hand saved money for me."
"How was that?"
"My wife went shopping and put her purse in her pocket; when she got down-town she couldn't find her pocket."—Chicago Record.

Cause for Activity.
"What is Bexton hustling around so in the interest of a curfew ordinance for?"
"His boy saw him coming out of a variety theater the other night and went home and told about it."—Indianapolis Journal.

Often They Have To.
Two souls with but a single thought,
('Twas better had they none),
For the thought they had was the old, old thought,
That two can live as cheap as one.—Detroit Tribune.

CHOOSING THE LESSER EVIL.

"Oh, Charles, baby is crying awfully. Guess I'll sing to him."
The Brute—Let him cry.—Fillegende Blaetter.

Her Device.
Daphne seeks to repulse me,
The coy, tricky elf,
So she gave me her portrait
She painted herself.—Chicago Record.

Not Much to Worry About.
"Papa, George says he is very much worried about his income."
"I shouldn't think he would worry about a little thing like that."—Rochester Post-Express.

Not Worth While.
Sonny—Papa don't need to say his prayers.
Mamma—Why not?
"Cause it's 'most morning when he goes to bed."—Brooklyn Life.

Peaceful Slumber Unknown.

Dreadful Dreams Drive Sleep Away.

For Eight Years a Lady of Emporia, Kansas, Suffers Unspeakable Agony—She Relates Her Experience.

From the Republican, Emporia, Kan.
Mrs. Jennie Carlow resides at 718 Merchant Street, Emporia, Kansas, and is the wife of W. R. Carlow, proprietor of the Carlow Wagon and Blacksmith Works, who is so well known as the "Past Grand" and as one of the most active members in Lodge 15, I. O. F., of Emporia.

The distress of a condition of chronic sleeplessness is so terrible, Mrs. Carlow's sufferings from it so well known, our readers we feel sure, will welcome the good news that she is now well, and will be glad to know how the cure was accomplished.

Mrs. Carlow's statement is hereto appended in narrative form:
"For many years I was a confirmed invalid, suffering constant pains through my breast and back, of the most excruciating type, rendering me absolutely helpless. I was unable to rise up or lie down, without assistance, and was subject to the least excitation to flutterings of the heart and such shortness of breath, or dyspnea, that I often thought I was dying.

"Peaceful slumber was unknown to me. I would fall into a doze only to be awakened by the most horrible dreams, of the frightful a character to describe, and in the morning instead of being refreshed and rested, I would be utterly exhausted.

"I was attended at various times by every physician in the city, but none of them could do me any good, though I spent hundreds of dollars in my quest of health. About three months ago, Mrs. Elizabeth Drake, whom you perhaps know, spoke to my husband advising a trial of Dr. Williams' Pink Pills for Pale People, stating that they had permanently cured her after years of suffering from milk leg, and he at once procured a supply for me.

"By the time I had taken two boxes according to directions, for the first time in two years, I was able to enjoy peaceful and restful sleep, and as I continued to take them my health improved, so that now while using the fifth box, I feel quite recovered and my health is entirely restored. I still take two pills every night just before retiring, and wake up every morning perfectly happy.

"I advise every one whom I hear complaining to try Dr. Williams' Pink Pills, for although I recognize the fact that medicine that will cure one, will not another, still as most diseases are due to a bad condition of the blood, Pink Pills in such cases will prove a certain cure. It is but natural that I should have the most unbounded faith in them. I am only too glad to bear testimony through your paper as to what they have done for me."

The above is an exact report of Mrs. Carlow's statement. CHARLES HARRIS, (Signed) Reporter, Emporia, Kan. Dr. Williams' Pink Pills for Pale People are now given to the public as an unfailing blood builder and nerve restorer, curing all forms of weakness arising from a watery condition of the blood or shattered nerves. The pills are sold by all dealers, or will be sent post paid on receipt of price, 50 cents a box, or six boxes for \$2.50 (they are never sold in bulk or by the 100), by addressing Dr. Williams' Medicine Co., Schenectady, N. Y.

BREATHLESS HENTER.—I never felt, did you not a rabbit run by here?—Yes, she's. "How long ago?"—Boy—I think I'll be three years next Christmas.—American Review.

A Thermometer Free.

Warner's Safe Cure Co. of Rochester, N. Y., are sending out a limited number of accurate spirit thermometers graduated from 20 degrees below zero to 120 degrees above and mounted on heavy 4x8 inch card board, in red and green, by mail, free to any address on receipt of two cents in stamps to the company. To be sure the free distribution of the thermometers is intended to advertise the celebrated Warner's Safe Kidney and Liver Cure (see advertising columns) but nevertheless they will be found to be useful as well as ornamental little articles for the home or office and well worth the little trouble and expense of sending for them.

"I know now," remarked the young man who was sued for breach of promise, "why they call it 'courting.'"—Credit Lost.

THERE is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & Co., Toledo, O. Sold by Druggists, 75c. Hall's Family Pills are the best.

The Strongest Fortification
Against disease, one which enable us to undergo unscathed risks from hurtful climatic influences, exposure, overwork and fatigue, is the vigor that is imparted to a debilitated physique by the peerless medicinal safeguard, Hostetter's Stomach Bitters. You may possess this vigor in a higher degree than the trained athlete, although your muscular development may be far inferior to his. Vigor implies sound, good digestion and sound repose, two blessings conferred by the Bitters, which remedies malarial, rheumatic, nervous and kidney trouble.

Sweetness and Light.

Put a pill in the pulpit if you want practical preaching for the physical man; then put the pill in the pillory if it does not practise what it preaches. There's a whole gospel in Ayer's Sugar Coated Pills; a "gospel of sweetness and light." People used to value their physic, as they did their religion,—by its bitterness. The more bitter the dose the better the doctor. We've got over that. We take "sugar in ours"—gospel or physio—now-a-days. It's possible to please and to purge at the same time. There may be power in a pleasant pill. That is the gospel of
