

Wilson-Robinson.

Dou Cupid has been unloosing his quiver with unusual frequency of late, and generously letting speed only arrows with the golden tip.

The wedding, which was a most dainty and pretty one, took place at high noon Wednesday at the home of the bride's parents, corner of Holt and Webber avenues.

The beautiful home was richly decorated. The double parlors were adorned with roses of a prevailing pink hue, embellished with sprays of amilax and bits of dainty white satin ribbon.

The young couple entered the parlors to the strains of the piano, played by Mr. Leslie C. Marsh. The handsome bride wore white organdie over white silk, and carried a bouquet of carnations and maiden hair ferns.

At the close of the ceremony a dainty lunch was served, and amidst a shower of rice, commingled with as many a shower of good wishes, the happy couple departed to take the afternoon train for Los Angeles.

By this marriage Pomona loses one of her most esteemed young ladies, but the best wishes of all for a life of happiness follow her to her new home.

Owing to over-crowding and bad ventilation, the air of the schoolroom is often close and impure, and teachers and pupils frequently suffer from lung and throat troubles.

The advance agents of prosperity have had to cancel their dates in nearly all of the states. The failure of the wheat crops in foreign countries brought prosperity to the wheat speculators of the United States.
