### Gloves That Meet Every Demand

The "correct" glove for every social and business demand is found in

### Centmeri Gloves

A matter of preference with women of exacting tastes; a question of economy with those who place value above price.

From the least expensive to the finest grades, one standard of Centmeri Quality is maintained; every glove guaranteed to be the best of its kind.

Special attention given Mail Orders.

We have just received and put on sale today a large assortment of Ladies' House Dresses. They range in price from \$1.25, for a very pretty standard percole stripe, to \$3.50 for the finest Zephyr Gingham.

To keep the best time your watch must be adjusted to you. Factory adjustment is insufficient.

We regulate every watch we sell to the wearer. You may be sure of its timing if you buy it here.

### Don't Buy Your Watch From a Pretty Picture

See it—examine it—be sure of it, before you pay for it. You cannot do this with a "mail order" watch.

But you are welcome at any time to look over our watch assortment without obligation to buy.

One watch you'll be interested in is the

### Ingersoll-Trenton

A timekeeper so fine that its sale is confined to fine jewelers only—those capable of adjusting it and bringing out its splendid timing qualities.

We have all the popular Ingersoll-Trenton models from \$5 to \$15.

Lot Just Received by Express Timed and Tested at Factory.

They are High in Mother's Favor

## MORENCI NEWS

### AND ITEMS OF LOCAL INTEREST

More palatable goods arriving daily at Smith's Store.

Mrs. L. J. Owen gave a sewing party Thursday afternoon and card party Saturday in honor of Miss Irwin.

Mr. H. F. Long, formerly of Amarilla, Texas, has accepted a position in the grocery of the Phelps-Dodge Mercantile Co.

Irving Johnson, son of C. E. Johnson, was operated on for appendicitis this week at the A. C. Hospital and is improving nicely.

Fred Sjoquist, the well-known carpenter of Morenci, has returned from Hayden where he was superintending the erection of a bank building.

"Commodore" Hollaway, an old resident of this camp, left Morenci this week for California where he will go out onto a farm north of San Francisco.

Quite a number of people from Morenci were in attendance at the Elks' smoker in Clifton on Saturday night, given by the Elks and the Chamber of Commerce in honor of the Ocean-to-Ocean automobile travelers.

W. K. Loder of Chicago, Ill., has returned to Morenci after an absence of an hour and a half. Mr. Loder was formerly credit man at the Phelps-Dodge store and has again accepted a lucrative position in the office.

The hearty support of the entire community should be given the new American Brass Band recently organized under the direction of Richard Goldsworthy. Eighteen members compose the new band and regular practices are being held, producing splendid results.

Mrs. Ed. Whittelsey made a short visit of one day in camp last week, coming up from Phoenix to get the children who have been staying with her sister, Mrs. Honeyman. Mrs. Whittelsey says that Mr. Whittelsey is gaining strength and weight rapidly. They expect to buy land near Phoenix this fall, in the meantime they are living on a ranch about six miles from the city.

Among the visitors in Morenci Easter Sunday were Mr. and Mrs. Chester Lawrence and Mr. and Mrs. Harvey Herrick, of Los Angeles accompanied by Dell M. Potter of Clifton. Mr. Lawrence, a reporter, and Mr. Herrick, as chauffeur, are driving the Case Pathfinder Car for the Ocean-to-Ocean Highway Association and the Hearst papers from Los Angeles Cal., to New York City. They were the

guests of Mr. H. S. Van Gorder during their visit here, and returned to Clifton about noon to fulfill dinner engagements.

Sunday, April 14th, will "start the ball rolling" on the local ball grounds when the Morenci Team will meet the Clifton team. As it is desirable to make the ball games a success here this season, everyone should make it a point to give the team their hearty support. Game will be called at 3:00 p. m. and an admission fee will be charged. Come out and judge for yourself the playing of the snappy team that has been gathered together to play this season.

Miss Evangeline Thurston left Thursday morning for her home in Columbia, Mo., having received a telegram that her father was in a dying condition. Miss Thurston immediately resigned her position in the school here, and Miss Queenie Lloyd will finish the remainder of the term, which is but a few weeks. The many friends of the saddened girl gathered at the depot before she left and consoled her as much as possible under the circumstances.

It was a jolly party of school teachers that enjoyed a trip to Bonita last week. Owing to the fact that there was no school Friday they left in the morning, arriving at the Farrell Ranch their camping ground that evening. Saturday they were entertained by a bunch of cowboys who were starting a roundup, and the girls were treated to that unusual sight. The return trip was made on Sunday, the girls experiencing considerable discomfort from the inclemency of the weather.

Chas. Shontz arrived home Tuesday evening after enjoying a five weeks vacation in California and Oregon. Mr. Shontz joined the Sando Orchestra temporarily while some and toured much of Northern California. The Sando Brothers, formerly of Morenci, are touring with their orchestra and keeping on the look-out for a satisfactory place to locate. They experienced much bad weather on their trip and saw plenty of the rosy-painted California land, dressed in its worst costume. Mr. Shontz reports a good time during their travels and many interesting places.

A larger number than usual attended the morning and evening services at the chapel last Sunday. The interior had been tastefully decorated by the Ladies Aid Society. On the wall back of the chancel was an Easter Motto in large evergreen letters. In front and at the sides of the chancel were grouped Easter Lillies and palms; the

top of the piano and tables were covered with flowers of which the Arizona poppies were the most attractive. At the morning service, the opening prayer was made by the Rev. Rice of Ouray, Colo. A violin solo, "The Palms," was played by Mr. D. D. Irwin of Garfield preceding the Easter sermon by the Pastor, Rev. Allan Krichbaum. In the evening special music was furnished by the choir.

Miss Love and Miss Sigworth of Metcalf spent Sunday with Mrs. A. W. Frazier.

Considerable activity was in evidence during the past two years in military circles. Lieut. E. H. Sterling of the U. S. Army was in Morenci for a week and made a rigid inspection of Troop A. on Wednesday at Morenci Club and drilled them on the plaza. On Thursday evening another drill was held including much of the advance work in drill regulation. Early Sunday morning about twenty troopers under Lieut. Sterling rode to Eagle where they spent the day in receiving instruction in advanced cavalry drill. The results were commendable and gratifying. Each week the troop is increased by new enlistments, so that the weekly drills are becoming a pleasure combined with the general sociability of the camp.

One of the prettiest and most enjoyable society events of the season, was the Leap Year Dance given by the younger set of Morenci, assisted by many of the married ladies as patronesses, at the Morenci Club on Friday night. The hall was beautifully decorated for the occasion with an abundance of electric lights while cozy corners were in evidence. Excellent music was rendered for the affair until the wee hours of the morning. During the evening the shy as well as the more confident ladies filled their programs and greatly enjoyed the rather unusual privilege of engaging in dances. A delicious lunch and refreshments were served at mid-night and the men were conducted to the lunch room by his respective partner. Quite a number of Clifton ladies were present and unanimously voted the affair a grand success. Much credit is due the various committees for their splendid work.

### PATHFINDERS LEFT SUNDAY

Adams, William Neilson, C. C. Brittingham, Roy Colburn, J. R. Van Esck, J. E. Terry, W. E. Kelly, H. C. Mix and C. G. Cole.

Interesting Side Trips One of the side trips taken by the "aminer" pathfinder on the route of the ocean-to-ocean highway and a trip which no tourist can afford to miss is that to the city of Morenci, 5000 feet high in the Gila Mountains. This is the center of the copper industry of Arizona. Morenci is a city of 7000 inhabitants and is famed the world over because it has but one street in the entire city this is the one used to approach the city.

We were in the center of a whirling snowstorm here, while six miles below us in the valley, Cliftonites were basking in sunshine. The Mayor of Clifton met us as we entered the city and presented the representative of the Hearst newspapers and Mr. Herrick with two copper keys which were made Saturday at one of the big mines. In presenting the keys the Mayor extended us the freedom of the city.
