### FRESH EVERY HOUR.

It may not be generally known, but as fine candy is made in Richmond as in France.

At Kaempf's 110 North Ninth Street Candy is made every hour in the day, and no better goods can be found anywhere.

Don't forget the number, 110 Ninth just exactly in the rear of the Mozart Academy.

All Photographs are bound to be likenesses. The camera never lies. Artistic taste is the secret of a "good likeness." Try Davis 827 East Broad street and then draw your own conclusions.

A sufferer for years gratefully acknowledges the great benefit he received by taking Dr. David's Cough Syrup for Asthma and Bronchitis, of long standing. If you suffer, take it and be cured. Only 25 cents everywhere.
