THIS is a picture of our Grand NEW BUILDING, N. E. Cor. Broad and Ninth Streets. Constructed of iron, granite and gray brick, 124 x 40 ft, four stories above basement, it is one of the finest school buildings in the country. With one exception in each case, it is the oldest Business College in the South, and the only one owning and occupying its own building.

Send for Catalogue, showing its splendid record in fitting students for business and helping them get positions.
