To The Public.

From and after this date Summerfield Bros would inform their friends and patrons that all accounts will be closed, and no new ones will be opened. Nothing hereafter can go out of the store except for cash. We take this method of informing the public and our friends of our resolution so that they will not ask for credit which will be positively refused in all cases there being no distinction. We will sell our goods from 15 to 20 per cent below former prices for cash and positively no credit to any one. We are compelled to take this step owing to the dull trade, and will not deviate from this rule with any person whatsoever. Respectfully, SUMMERFIELD BROS

PUBLIC NOTICE.

To all persons occupying or claiming lots or parts of lots on the surface ground of the "Way Up" patented mining claim—Take notice—that I have title to and am the owner of an undivided three-fifths (3-5) interest in all the surface ground of the said patented mining claim; and my title is under a sheriff's deed on execution against the property of J. S. Clark, M. Gray and R. Gray on a judgment obtained in 1881, and said sheriff's sale was made while said Clark had a 3-5 interest in said surface ground. See book 8, deeds of mines, Cochise county, pages 415, 416 and 417.

I will make a deed of this 3-5 interest to those having a bona fide possession and improvements on said lots for a reasonable price.

And I give you this notice to put you on your guard against the spurious claims of said J. S. Clark, one Satterwhite, and others who I am informed pretend to have title to all of said surface ground.
