

A PROPOSAL

Critical Condition of Affairs in Brazil.

Colonel Solon Schemes to Replace the President of the Republic. The Governor of the Province of Bahia Deposed—Plain Language.

Special by the California Associated Press. RIO DE JANEIRO, May 26.—The Governor of Bahia has been deposed. He called on General Fonseca, brother of the President, to interfere, but the latter refused, and the provincial revolution was quietly effected.

A widespread plot has been discovered to overthrow the Government. Two arrests have been made. Papers have been covered incalculating plots, and a prominent figure of the revolution, saying that the so-called Executive Committee had a scheme in view to upset the Government and replace Fonseca by Colonel Solon. Solon has made his escape.

PLAIN LANGUAGE.

Address of the Newfoundland Legislature to the Queen. LONDON, May 26.—The address of the Newfoundland Legislature to the Queen, protesting against British grants to the Newfoundland Colonies, has been received here. The document is voluminous and couched in the strongest language of any address to a British sovereign since the days of Victoria.

"We believe we have right and justice on our side, and such steps as we may have to take have been taken in order to bring about a settlement of the dispute, and we are confident that the British Government will be guided by the same principles of justice and equity as we are."
