FOSTER'S WONDERFUL RIDE. ULBRICHT SET THE PACE, AND SCHWALL CAPTURED FIRST PLACE.

The third annual 25-mile handicap road race of the California Associated Cycling Clubs was run yesterday over what is known as the San Leandro triangle, and was viewed by fully two thousand spectators.

The expectations of the knowing ones that the record for the course would be lowered were fully realized, as Walter F. Foster, the Olympic Club Wheelmen's crack rider, covered the distance in 1 hour 12 min. 55 1/2 sec., which is 6 min. 5 1/2 sec. below the record as made by

George Faulkner of the Acme Club Wheelmen two years ago. The course over which this race is annually run was not in as good condition this year as formerly on account of the heavy rains this winter.

The associated clubs hold three great road races every year, open only to riders who are members of clubs belonging to the organization. In February the 25-mile race is run, the 100-mile relay around the bay in April and a 10-mile race in October.

The start had been advertised to be promptly at 10 a. m., but it was thirty-five minutes after that hour before all the spectators, contestants and officials assembled at a point some 300 yards east of Faulkner in 1893 of 1 hour 19 min. 4 sec.

MISS WELLS ON SOUTHERN MOBS.

DETAILS OF LYNCHING RELATED IN GRACE METHODIST CHURCH.

THE REMEDY SUGGESTED. A FAIR TRIAL BY LAW FOR THOSE ACCUSED OF HEINOUS CRIMES.

Miss Ida B. Wells delivered her lecture on lynching in the South and its remedies before the congregation of Grace Methodist Church yesterday morning after a short sermon by the pastor, Rev. E. McClish.

The altar was festooned with bunches of violets, which contrasted prettily with a large vase of lilies on the communion-table in front. Every seat in the auditorium was occupied, though the greater number of people assembled were women and children.

For forty minutes Miss Wells held her audience spellbound, though at times her voice was choked with emotion as detail after detail was related. Murmurs of horror were heard through the church when the story of cruelty to Henry Smith, the negro who was burned by a mob in Paris, Texas, February 1, 1893, was told.

It is a well-established principle of law that every wrong has a remedy. Heretofore we respect for law. The negro does not claim that all the 1000 black men, women and children who have been hanged, shot and burned alive during the past ten years, were innocent of the charges made against them.

In lynching, opportunity is not given the negro to defend himself against the unsupported accusations of white men and women. The word of the accuser is held to be true and the excited blood-thirsty mob demands that the rule of law be reversed.

Therefore, we demand a fair trial by law for those accused of crime. Instead of proving the accused to be guilty, the victim of their hate and revenge must prove himself innocent. No evidence can ever satisfy the mob; he is bound hand and foot and swung into eternity.

Next Sunday there will be five road races run over the San Leandro course, the Bay City, California and Imperial clubs holding ten-mile events, and the Reliance and Olympic clubs five-miles.
