THE BEE HIVE McCOOK NEBRASKA

Not Over-Wise.

There is an old allegorical picture of a girl scared at a grass-hopper, but in the act of heedlessly treading on a snake. This is paralleled by the man who spends a large sum of money building a cyclone cellar, but neglects to provide his family with a bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy as a safeguard against bowel complaints, whose victims outnumber those of a cyclone a hundred to one. This remedy is everywhere recognized as the most prompt and reliable medicine in use for these diseases. For sale by L. W. McConnell, druggist.

Notice to Subscribers.

After September 1st the price of The Omaha Daily News will be \$1.50 a year. Subscriptions will be received at the old price (\$1.00 a year) during August. 7-7-4ts

Dysentery Cured Without Aid of a Doctor.
"I am just up from a hard spell of the flux" (dysentery) says Mr. T. A. Pinner, a well known merchant of Drummond, Tenn. "I used one small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy and was cured without having a doctor. I consider it the best cholera medicine in the world." There is no need of employing a doctor when this remedy is used, for no doctor can prescribe a better medicine for bowel complaint in any form either for children or adults. It never fails and is pleasant to take. For sale by L. W. McConnell, druggist.

End of Bitter Fight.

"Two physicians had a long and stubborn fight with an abscess on my right lung," writes J. G. Hughes of DuPont, Ga., "and gave me up. Everybody thought my time had come. As a last resort I tried Dr. King's New Discovery for Consumption. The benefit I received was striking and I was on my feet in a few days. Now I've entirely regained my health." It conquers all coughs, colds and throat and lung troubles. Guaranteed by L. W. McConnell's drug store. Price 50c. and \$1.00. Trial bottles free.

Physician and Druggists.

Ford & Sturgeon, a prominent drug firm at Rocky Hill Station, Ky., write: "We are requested by Dr. G. B. Singley to send for Herbine for the benefit of our customers. We ordered three dozen in December and we are glad to say, Herbine has given such great satisfaction that we have duplicated this order three times, and today we gave your salesman another order. We beg to say Dr. G. B. Singley takes pleasure in recommending Herbine." 50c bottle at A. McMillen's, druggist.

Coming as it does, in the busiest season, when a man can least afford to lose time, a sure and quick cure for diarrhoea is very desirable. Anyone who has given it a trial will tell you that the quickest, surest and most pleasant medicine in use for this disease is Chamberlain's Colic, Cholera and Diarrhoea Remedy. There is no loss of time when it is used, as one or two doses of it will cure any ordinary attack. It never fails, not even in the most severe and dangerous cases. For sale by L. W. Struck By An Engine.

Republican City, Neb., Aug. 7.—While Henry Bott, Jacob Bott and Frank Vout, section men in the employ of the Burlington here, were returning from Alma on a handcar last night, they were struck by an engine that was returning "light" from McCook, where she had taken a passenger train in the morning.

Frank Vout had his right leg broken in the thigh, Jacob Bott had his left hand hurt, but not seriously, and Henry Bott escaped with a few bruises.

The accident occurred near Alma, on what is known as the Coffee farm, on a slight curve in the track.

The injured men were brought to Republican City at once, where Dr. Pennington and Dr. Garrison reduced the fracture and looked after their various bruises—Special to Lincoln Star.

A Worm Killer.

J. A. J. Montgomery, Puxico, Wayne Co., Mo., writes: "I have little twin girls, who have been bothered with worms all their lives. I tried everything to relieve them which failed until I used White's Cream Vermifuge; the first two doses brought four worms from one of them, the next two doses, twelve, one of them measuring twelve inches; the other child was only relieved of four worms. It is a most excellent medicine." White's Cream Vermifuge is good for children. It not only destroys worms, it helps the child to perfect growth, wards off sickness. 25c at A. McMillen's, druggist.

Captain Bender Is Here.

From appearances he is in the pink of condition and will be in prime shape to lead the gridiron heroes next fall.—Tuesday's Lincoln Journal.

Watch For a Chill.

However slight at this time of year and in this climate, it is the forerunner of malaria. A disposition to yawn, and an all tired out feeling even comes before a chill. Herbine, by its prompt stimulative action on the liver, drives the malarial germs out of the system, purifies the blood, tones up the system and restores health. 50c at A. McMillen's, druggist.

McCartney-Bradley.

A pleasant marriage ceremony will be performed shortly after seven o'clock this evening, by Rex. Van Dyke Wight, of the Presbyterian church. The contracting parties are Ernest Bradley, son of A. W. Bradley, of Juniata, and Miss Minnie McCartney, of the same place. They will be given a reception this evening by Mrs. Will Brookley, at whose home she has been staying the last year. They depart for McCook on No. 3, this evening, where they will visit with the bride's sister before going to Palisade, Nebraska, their future home.—Hastings Daily Republican, Saturday, August 8th.

My boy when four years old was taken with colic and cramps in his stomach. I sent for the doctor and he injected morphine, but the child kept getting worse. I then gave him half a teaspoonful of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and in half an hour he was sleeping and soon recovered.—F. L. Wilkins, Shell Lake, Wis.
