Now that the state fair management have fenced in 15 acres additional of lawn and grove on which to pitch tents for those who wish to camp during the week, the camping idea promises to grow in Nebraska the same as it has in Iowa. Last year nearly ten thousand farmers camped the entire week on the Iowa fair grounds. This privilege permits an inexpensive outing and there is enough to see at the fair to keep every moment fully employed during the entire period. Bring your family with you to the fair September 4th to 8th.

Hammocks! Hammocks! Only a few left and they must go at surprisingly low prices. Call and see them.

L. W. McCONNELL, Druggist.

Don't forget to try and see if our "91" patent is not as good or better than the best. Guaranteed at every store in town.

### GRASSHOPPER MEETING.

Farmers in Vicinity of McCook Are Alarmed at Ravages.

Leading farmers in the vicinity of McCook have become alarmed over the destruction caused by grasshoppers and have requested a meeting to be addressed if possible by state university people as to methods to exterminate the pests.

President Cordeal of the commercial club is in communication with the university and hopes to secure some one from the university for this meeting Saturday afternoon in the club rooms.

At any rate, such a meeting will be held, and it is hoped that some effective and practical measures may be disclosed to help the situation.

The fear is especially felt for the valuable alfalfa lands in the vicinity of McCook, which are being ruthlessly ravaged by these pests.

### Waists Half Price!

On Bargain Square we offer about 5 doz. white shirt waists at half price. They are odds or slightly mussed and run from 75c at regular price up to \$3.50 each. They are yours now at from 38 cents to \$1.75. Come in and select, or look only, as you please. The Thompson D. G. Co., bent on clearance.

### SAFETY

not profit, is the keystone principle of McConnell's store. If his prices are higher on any item it is because the quality is also higher. There is a great deal more profit in the inferior grades even when sold at much cheaper prices, but if you value health, and safety, more than the difference in price you will do well to let him serve you.

The men who have in charge the County Collective Exhibits to be shown at the state fair September 4th to 8th report that the dry weather is making it necessary for additional work to keep the best exhibit of agricultural products to be shown in the United States this year, up to its usual high standard. One of these men says "I have already worked my corn six times, and am going through it each week until the 15th of August with a single row cultivator so you can depend on it that our county will have this year corn to show, rain or no rain."

Quick beat our team in a ball game Saturday by the score of 7 to 6. The boys will have to play better to win, as they had the umpire on their side and then could not beat them. They play Spring Creek Saturday. This will be another game lost as they play on the Spring creek ground.

Mr. and Mrs. Henry Jacobs of Culbertson visited at Wright's and Hamilton's last Sunday.

Henry and Nick Kolbet spent Sunday with their brother Fred.

### MAN KILLED AT IMPERIAL.

Ferris Halstead was run over by the cars at Imperial, Tuesday, sustaining injuries from which he died while being conveyed up town at that place. Halstead was employed on the Kilpatrick ranch up in Chase county, and his postoffice address was Champion. He was not assisting in loading stock from the ranch, but came down from the ranch to see the work done.

### Claims He Did It.

A fellow by the name of James Durkin claims to have set the cars on fire, and is being held in the county jail. Durkin says that he served six and a half years in the penitentiary of California, and thinks that that probably entitles him to be considered a resident of that state.

He is thought by some to be the same individual who threatened to break glass in Denver, in order to break into jail. Whether Durkin is crazy or just a fool has not as yet been determined.

### Games at Cambridge on the 4th.

McCook won both games at Cambridge Tuesday morning according to the following particulars and details: Morning game:

McCook .... 0 0 0 1 1 0 0 0 2—4 8

Cambridge .. 0 0 2 0 0 0 1 0 0—3 7

Batteries: Cambridge: Wood and Gilbert; McCook: Milligan and Harmon.

Afternoon game:

McCook .. 4 3 0 5 1 4 0 0 7—24 22

Cambridge 3 0 0 0 0 1 4 0 0—8 7

"Crip" Milligan was in the limelight in the morning game, winning the game with a run in the ninth inning. "Crip" was hit by a pitched ball during the game, which laid him out temporarily. The Cambridge pitcher has a rather unfortunate record for "hits"—that is for hitting batters.

### The Cause of Constipation.

Constipation is, in some cases, the direct result from a torpid or slow acting liver, brought about by the with holding of the flow of bile. This condition is commonly allied with more or less indigestion and dyspepsia, partly due to the constipation itself. Many persons have found it comparatively easy to overcome these conditions with a treatment of Rexall Liver Salts. In our judgment, we feel that this preparation is remarkably well fitted to overcome these conditions, and recommend them to you with the understanding that they are guaranteed and your money will be refunded in case there are no beneficial results. In two sizes, 25 and 50 cents.

L. W. McCONNELL, Druggist.

The Catholic ladies will hold a lawn social at the residence of Mrs. Anna Colfer, Tuesday evening, July 11th. Everybody welcome.

It may be well for water consumers to remember that the sprinkling hours have been confined to 7 to 8 in the morning, and from 6 to 8 in the evening. The mayor says the order is not a "bluff."

The new time table which went into effect on the Burlington last Sunday, makes several slight changes in the time of departure of several of the trains. Consult the time tables in this issue of The Tribune, which has been corrected up to date.

Attention is called to the announcement elsewhere in this paper of J. C. Moore as a candidate for re-nomination on the Republican ticket for County Judge. Came here from the eastern part of the county where he was an early settler. Has made a creditable record as county judge, and will doubtless receive a large vote, as he did in the election two years ago.

## Addition - Subtraction Multiplication

Add to your earning capacity a little each day, but subtract at least one-fourth of each dollar you earn and put it in the bank. By so doing you multiply present contentment and future comfort by every deposit you make.

It is the duty of every man to provide for himself and his family, both now and in the future. Health and contentment are two essentials in securing the best results from your labors, but so divide your income that a goodly portion will be applied to the fund which insures FUTURE comfort.

## CHURCH NOTES AND TOPICS.

Methodist—The Methodist church will hold the regular services next Sunday morning and evening. It may be a little warm, but if we ever needed the help of God and the services of His house it is during these dry hot days. We are taught in His word, "If we forsake the Lord He to Him He will draw near to us and bless us." Surely every one that will forsake us, but if we draw near loves the Lord should call upon Him that this drouth may be turned aside and this awful heat consume us not.

Our annual conference will be held at Lexington, Neb., September 13-17. Bishop Warren will preside. This will be the seventh time for him to preside over the West Nebraska conference. He is a tower of strength and much beloved by this conference and all who know him. This will be the year of the Lay Electoral conference which will meet in conjunction with the annual conference, as the general conference will meet in May, 1912. The Lay Electoral conference is composed of one layman elected on Friday of the Annual conference, from each charge who are to meet and elect their delegates to the general conference and transact such business as may come before them. J. C. Moore, W. B. Whitaker and E. D. Perkins have been elected as judges and tellers to conduct the election in our church. All members over 21 years of age have a right to vote at this election. The time of this election will be announced later.

Episcopal—Sunday school at 10 a. m. Usual services at 11 a. m., and 8 p. m., conducted by the rector.

Christian Science—The subject for the service of July 9th will be "Sacrament."
