## TEUTONS LOSE TWO WARSHIPS

GERMANS TORPEDO ONE AMERICAN AND THREE ALLIED VESSELS.

## TWO OTHER SHIPS SUNK

BRITISH DESTROYER SUNK DURING RAIDS BY UNDERSEA CRAFT OF KAISER.

Western Newspaper Union News Service.

London, May 3.—German submarines which for a couple of weeks had been confining themselves to the North Sea where they sank a number of trawlers, again have made their appearance on the trade routes off the west coasts of Ireland and England and caught two victims. They were the British steamer Edale, which was sunk off the Scilly Islands, and the Russian steamer Svoron, which was attacked off the Blasket Islands.

In both cases the crews were saved.

A German submarine on Saturday sank the old British destroyer Recruit off the Galloper lightship in the North Sea, but the score was more than equalized by other British destroyers which after a stern chase overtook and sank the two German torpedo boats that had accompanied the submarine on her cruise.

Some of the crew of the Recruit were rescued by the Trawler Daisy, but as the submarine fired on the fishermen they were compelled to leave the others to their fate.

The British destroyers rescued most of the crews of the German torpedo boats, and two officers were picked up by a passing steamer and taken to Holland.

Besides these incidents in the North Sea the German submarines continued their operations off the Scilly Islands and, in addition to torpedoing the American tank steamer Gulfight, the captain of which died of shock, and two men were drowned, sank the French steamer Europe and the British steamer Fulgent, the captain of the latter vessel being shot and killed.

The American oil tank steamer Gulfight sailed from Port Arthur, Texas, April 10, for Rouen, France.

The captain of the Gulfight died of heart failure when the torpedo struck.

Two seamen jumped overboard, and were drowned.

## CHINA REJECTS JAP DEMANDS

War Danger Increased by Refusal of Peking to Accept Domination.

Peking.—The Chinese government has definitely refused some of the most important demands made by Japan. On learning of China's decision, the Japanese minister, Eki Hiroki, said to the Chinese foreign minister, Lu Cheng Hsiang: "I am sorry. I believe my government will be disappointed." The Chinese foreign minister, at a meeting of representatives of two of the governments, presented China's reply in the shape of a formal note. This note announced China's rejection of Group V of the Japanese demands in its entirety.

This group as originally submitted to China, contains what are perhaps the most important demands made by Japan.

## LET WILSON CALL FOR PEACE.

College Man Declares U. S. Should Take Lead in Ending European War.

Philadelphia.—G. Lowes Dickinson of King's College, Cambridge, England, speaking to the American Academy of Political and Social Science, outlined the following as the best manner in which America could contribute to the maintenance of world peace: Peace to be established through the intervention of President Wilson. The convention of a Congress at which all European states, belligerents and neutrals alike should be represented; such congress to be presided over by President Wilson.

Substitution of the former system of alliances among European powers with an international guarantee of peace, backed by force, if necessary.

## DREW THE LINE AT WIDOWS

School Superintendent of Purityville Explained Situation to Young and Pretty Woman.

"Well, now that I have seen Purityville, I can see how anybody would take almost any kind of a chance to get away."

She's an Indianapolis grass widow, clever.

The grass widow went to Purityville and asked the school superintendent for a job. He pried into her past like a detective, and finally drew from her that she was a divorcee. The superintendent threw up his hands.

"My dear young woman," he said, "I am sorry that I cannot employ you. We are opposed here to the employment of widows of both classes. Our school board has a sort of unwritten law against it."

The grass widow sighed and looked out of the window.

"But I am a widow through no fault of mine," the young woman insisted. "It was the husband who erred. And, besides, single women also have been known to kidnap married men from their families."

"Yes, yes, I know," the superintendent chirped; "but the single ones are not so bright and attractive."

She felt the need of employment, and had heard that Purityville was in the market for school teachers. Now, Purityville is a nice, live city not far from Indianapolis, but it has a reputation for following bad reform waves, local gossip and flatter of municipal dissension.

No, she didn't get the job.—Indianapolis News.

## WHY FAMOUS PASTRY COOKS USE K C BAKING POWDER

The patrons of our first class hotels and restaurants are exacting—they demand the best. Women go where the pastry and cakes are noted for their excellence. Men are attracted by hot bread and biscuits—when fresh and moist and light.

The pastry cook with a reputation uses K C Baking Powder because he knows that results are certain; every time everything is as good as his best.

Then, too, with K C Baking Powder he can mix the various kinds of batter before the rush of the meal begins and bake as needed so that every order goes to the table fresh and hot, yet the last he bakes are just as good as the first.

The reasons behind these reasons is that K C is really a blend of two baking powders. One commences to give off leavening gas as soon as moistened. The other requires both moisture and heat to make it active. Dough or batter will remain in a partially leavened condition for hours, and when put in the oven, will come up as light as if mixed a moment before.

For cookies, pancakes, doughnuts and the like, which cannot all be baked at once, K C is indispensable. For all baking the doubleraise makes doubly certain.

Follow the example of the professional cook and your baking will be equal to his.
