Twice Proven

If you suffer backache, sleepless nights, tired, dull days and distressing urinary disorders, don't experiment. Read this twice-told testimony. It's convincing evidence—doubly proven.
 P. Ciddo, tailor, 506 Sixth St., East Las Vegas, N. Mex., says: "I had a steady ache across my loins and right side. If I stooped, I felt the trouble more severely and when I lay down, I could hardly straighten on account of the pain. I attribute the trouble to my sitting in a cramped position at my work. Doan's Kidney Pills, procured at the Center Block Pharmacy, removed the pain and backache."
NO TROUBLE SINCE.
 OVER SIX YEARS LATER, Mr. Ciddo said: "My kidneys and back have given me no trouble since Doan's Kidney Pills relieved me many years ago."
 Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Ciddo has twice publicly recommended. Foster-Milburn Co., Props., Buffalo, N. Y.

Catarrrhal Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Chamberlain's Cough Remedy is the only medicine that can reach the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is no other condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the Eustachian Tube on the mucous surfaces of the system.
 We will give One Hundred Dollars for any case of Catarrh of the Throat that cannot be cured by Hall's Catarrh Medicine. Circulars free. All Druggists.

DANGER SIGNAL.

If the fire bell should ring would you run and stop it or go and help to put out the fire? It is much the same way with a cough. A cough is a danger signal as much as a fire bell. You should no more try to suppress it than to stop a fire bell when it is ringing, but should cure the disease that causes the coughing. This can nearly always be done by taking Chamberlain's Cough Remedy. Many have used it with the most beneficial results. It is especially valuable for the persistent cough that so often follows a bad cold or an attack of the grip. Mrs. Thomas Beeching, Andrews, Ind., writes: "During the winter my husband takes cold easily and coughs and coughs. Chamberlain's Cough Remedy is the best medicine for breaking up these attacks and you cannot get him to take any other." Obtainable everywhere. adv
