Announcement. Having served the people of the county of Prince Edward for ten years in the General Assembly, and having been assured of the undivided support of the voters of my own district, and a large majority of the voters of my county, I have decided to be a candidate for the Senate from the 25th Senatorial district, comprising the counties of Prince Edward, Cumberland, Lunenburg, Nottoway and Amelia. My record as a Democrat, and as a member of the Legislature is as an open book before the people, and upon this record I solicit your support for the Senate. Respectfully, J. J. OWEN. G. S. Wing—Candidate For The Senate. After a careful and painstaking consideration of the matter, I have decided upon the advice and council of my friends, to be a candidate for the Virginia Senate from the District comprising the counties of Prince Edward, Cumberland, Lunenburg, Nottoway, and Amelia, and hereby announce my candidacy for the Democratic Nomination. I confidently expect the earnest support of my friends, whose kindly interest has brought me to this decision, and should I be the choice of my party, I shall be most grateful for the honor, and pledge my best efforts in justifying their selection. Respectfully, G. S. WING. Many people delude themselves by saying "It will wear away," when they notice symptoms of kidney and bladder trouble. This is a mistake. Take Foley's Kidney Remedy, and stop the drain on the vitality. It cures back-ache, rheumatism, kidney and bladder trouble, and makes every trace of pain, weakness and urinary trouble disappear. Young man, beware of the ham-mock these balmy summer evenings, or some fair fisher may gill you in its meshes. Each step taken for mother adds to the time she will be with you to enjoy your deeds of love and to cheer you with her smile. The man who fails never claims to be a self-made man.
