EDISON PHONOGRAPHS
I Sell the Edison Phonographs and Records

The most perfect sound-producing machines. Mr. Edison's favorite invention, which contains all his new improvements. I am now showing the new model with the big horn, the greatest advance in Phonograph making. It is the only Phonograph that is the inventor of the Edison Phonograph idea, and that the Edison Phonograph is the original talking machine. It is not a Graphophone, so needless to say it does not talk.

Call at the Factory Price and give 1 dozen dollars with every machine I sell and save 25 cents. It is an express charge that you will have to pay if you send off to get one.
