THE HINELY-STEPHENS COMPANY

Horses and Buggies, Mules and Wagons

Live Oak, Florida

McLeran Mercantile Company.

Special attention is called to the advertisement of the above named firm, of Welborn, which has recently been organized, and succeeds the old established and well known firm of A. W. McLeran, which was established in 1884 and under good management has grown steadily to a large business. The founder of the institution was born and raised in this county, and therefore is not a stranger to our people.

The personnel of the new company is as follows: A. W. McLeran, president; E. B. McLeran, vice-president; W. M. Edwards, secretary, A. E. Cobb, treasurer and Albert W. McLeran, jr. These are all business men who do not know such a thing as failure, and judging from the past, they are sure to succeed with the enterprise. This firm will continue to carry all kinds of merchandise, or such as is most needed in this section of the country, and will in the future as in the past, handle all kinds of country produce. They are special dealers in Sea Island cotton, chickens and eggs, and of the latter this firm perhaps ships a greater quantity than any one dealer buying direct from the farmer, than most any interior firm in Florida. During the year 1908, they shipped the following: Eggs, 12,500 dozen for which was paid the nice sum of \$2,000. Also 1000 bales of cotton, for which the sum of \$65,000 was paid.

They have superior advantages in many lines of articles handled and carried by them and therefore are always in position to extend any favors and courtesies consistent with good business principles.

We bespeak for them a continued good business and cheerfully commend them to the public in general.

New Wholesale Grocery for Live Oak.

The Middle Florida Grocery Company has been organized in this city with Mr. G. H. Davis as president and manager. This company has leased the Atlantic Coast Line's first building, and they are now receiving goods and placing them therein.

This company will carry an exclusive wholesale business, dealing in staple and fancy groceries, fruit, grain and feed stuff of all kinds. They have connection with the best manufacturers which will enable them to meet competition.

Mr. Davis, president of the company, has retired from the Worth Stephens Company, with which he has been connected for a number of years, in order to establish the Middle Florida Grocery Company. The business ability and the experience necessary to successfully conduct the business. Actively engaged in the business will be W. P. Walker, secretary and treasurer of the company, a well known young business man of this city, who is thoroughly familiar with all the details of the grocery business.

The negotiations made by this company with manufacturers and packers will enable them to make it to the advantage of the retail merchants of Live Oak in this section of Florida to buy their groceries, etc., here. There is no live oak for a wide-awake, and live wholesale grocery, and this Mr. Davis proposes the Middle Florida Grocery Company shall be.

BAD ACCIDENT.

Engineer at Turpentine Manufacturing Plant Badly Injured.

C. E. Connor, engineer at the Oscilla Turpentine Company's plant at Bradford, was badly burned about the face, hands and body Monday, and while his injuries are not dangerous, he has suffered intense pain and will be unable to work for some time.

Mr. Connor, from what we can learn, had just stepped in front of the engine when the blowoff valve was blown from its position, and the steam with great force went into and through the fire box, throwing the fire, ashes and steam with such force into his face as to knock him down. As quickly as possible he crawled back a few feet from the fire and steam, and was there discovered. He was brought to this city that afternoon, and is doing as well as could be expected.

Farmers Union Meeting at New Harmony.

The Suwannee County F. E. & C. U. of A. met with the New Harmony local on January 14th. There were 8 locals represented with 22 delegates.

The following new officers for the county were installed: Geo. H. Dorman, president; H. M. Stephens, vice-president; W. R. Dorman, lecturer; R. J. Allen, secretary and treasurer. Other officials to be installed were not present. Some other business was transacted before the dinner hour.

The dinner hour having arrived, the meeting adjourned for one hour to pay due respect to the good things the ladies of that neighborhood had prepared and spread on the table for us. It is enough to say that we hungry delegates did ample justice to the cause and occasion. Now, Mr. Editor, if you wish to live high go down to New Harmony and those good people will feed you on Plymouth Rock chickens, etc.

The hour for work having arrived, the president called the meeting to order, and considerable business was attended to. Bro. Bozeman, of Georgia, was introduced and gave us a good talk and told how the farmers of Scribner county, Ga., were working.

J. W. Grant, Jr., asked for help from this order for a lady that was sick and needy, and a neat sum was collected for her.

Bro. W. R. Dorman offered a resolution of thanks to the hospitable people of New Harmony for courtesies extended us.

The next County Union will meet in Live Oak on the first Thursday in February, it being the 4th day. Adjourned with prayer.

R. J. ALLEN, GEO. H. DORMAN, Sec & Treas. Pres. Co. U.
