#### Rheumatism.

More than nine out of every ten cases of rheumatism are simply rheumatism of the muscles, due to cold or damp, or chronic rheumatism. In such cases no internal treatment is required. The free application of Chamberlain's Liniment is all that is needed, and it is certain to give quick relief. Give it a trial and see for yourself how quickly it relieves the pain and soreness. The medicines usually given internally for rheumatism are poisonous or very strong medicines. They are worse than useless in cases of chronic and muscular rheumatism. For sale by Barclay & Groover, druggists.
