

MONEY SAVED IS MONEY MADE is an old adage, and a very true one, too. "Anyone," says our great financier, "can make money," but the amount you make will depend entirely upon your qualifications. A day laborer can make from \$1.25 to \$1.50 a day, while a book-keeper or stenographer can make from \$15 to \$25 a week. I propose to give you a training that commands a good salary, and I also propose to save you money in getting it.

For \$150 I will give you the combined course (Bookkeeping, Stenography and Typewriting), pay your board and room-rent for six months.
 Or, for \$88 I will give you a complete course (four months) in Bookkeeping and Stenography or Stenography and Typewriting, and pay your board and room-rent. Five months for only \$100.
 If you want tuition alone, I will give you a Life Scholarship for \$50. Or five months for \$25.

I have trained thousands of young men and women for clerical work, and placed them in good positions. I will do the same for you if you place yourself under our instruction at the

THE ORIGINAL

The idea of a Cough Syrup that will act on the bowels, and thus assist in expelling colds from the system is new and original in Kennedy's Laxative Honey and Tar. Nearly all other cough cures are constipating, especially those containing Opiates. Kennedy's Laxative Honey and Tar moves the bowels, contains no Opiates.

A Sad Death.

The Democrat is pained to learn of the death of Mrs. R. A. Ivey, of Branford, yesterday after an illness of but a few days. Her remains were carried to Luraville today for interment.

Mrs. Ivey was about 40 years of age. She leaves a husband, three daughters and four sons, one an infant, to mourn her death.

Mrs. Ivey was a true Christian and was a member of the Presbyterian Church, of Branford.

The Democrat extends heartfelt sympathy to the bereaved ones.
