PIANOS, ORGANS, VICTOR TALKING MACHINES, REGINA MUSIC BOXES, AND IN FACT EVERYTHING MUSICAL

As a "Stranger" we would submit the following for your consideration:

For over 35 years we have been engaged in the pleasant business of creating happy homes. We have helped thousands secure good reliable pianos. Many of them can recall way back over a third of a century, the "old home" and the piano purchased from Ludden & Bates Southern Music House. Many a piano today adorns a parlor in an old-time Southern home that, could they speak might tell of many romances as well as suffering and sadness. Over 35 years—and each year our sphere of usefulness is extended. The people have come to know and trust the old reliable Ludden & Bates S. M. H. with the full assurance that their every interest is well cared for.

Frightful Suffering Relieved.

Suffering frightfully from the virulent poisons of undigested food, C. G. Grayson, of Lula, Miss., took Dr. King's New Life Pills, "with the result," he writes, "that I was cured." All stomach and bowel disorders give way to their tonic, laxative properties. 25c at Ed Greene's drug store, guaranteed.

7,000 Young People Unite in a Great Tribute of Praise.

Over seven thousand young men and women, representing the entire South, unite in paying a wonderful tribute of praise to The Ga.-Ala.-Bus. College, of Macon, Ga., which, by its thorough business training, has more than doubled their earning capacity, and placed them in position of great trust, honor and profit, while many of them have become conspicuous as managers of large and flourishing enterprises of their own. The Ga.-Ala. is specially popular with young persons of limited education and means, as by its low rates, and personal, painstaking instruction in all the english branches necessary to success, it places a practical business education within reach of all. The people of the South delight to patronize it on account of its homelike atmosphere; and it is known to be absolutely reliable in every particular, being progressive enough to advertise what it does, and honest enough to do what it advertises. As the applications from business men for graduates, for years past, have been far in excess of the ability of the College to supply, exceptionally low rates are being given just now, which are certainly in reach of every one. Young persons ambitious to better their condition are urged to write at once for these rates, to E. L. MARTIN, Macon, Ga.

DO YOU IRRIGATE

The "Always Ready" Hot Air Pumping Engine does not require a boiler nor depend upon gasoline but is operated with any fuel at a cost of 6 to 10c per hour according to size and kind of fuel used. Is noiseless and can be operated by a child. Does away with the uncertain windmill, the expensive steam boiler and the unreliable and dangerous gasoline motor. Will pump water from wells, cisterns and lakes to any desired height not exceeding 300 feet. Especially adapted for
