This is a clearance sale of stock that contains no shoddy, but consists of the best merchandise, in style and quality, that people of the best judgment and most refined taste have decreed shall be worn. The reputation of an honest mercantile life stands behind every statement in this bill. Don't fail to get the thought thoroughly in your minds that we are offering the best goods, the nicest styles, finest qualities and altogether the most up-to-date stock that it is possible for money, skill and judgment to assemble in one big emporium of merchandise.
