

TERRIBLE ACCIDENT.

(From Monday's Daily.)

A terrible automobile accident occurred about 5 o'clock yesterday afternoon on Florida avenue, in Tampa. The car was a seven passenger, and contained three women and four men. The dead is, Valeria Phillips, aged 17. The injured are Charles Bush, Joseph Shields, John M. Nelson, Beatrice Crews and Faye Grace.

All the occupants were pinned beneath the machine, and it required more than a dozen men to lift the big car from off their bodies. Charles Bush is believed to be fatally hurt. Miss Phillips died without ever having recovered consciousness.

HE SHOULD HAVE BEEN SHOT.

The meanest man in Lakeland trampled on our feelings yesterday. We shall never forgive the ungrateful wretch. We knew and he knew that the dogwoods were in blossom, that the flies were dropping on the bosom of the creek, that the flabby days had come, the maddest of the year, that our heart was all but breaking with us for the leaping trout and the dead, heavy pull of the mud fish, and that scoundrel came up and, like a siren, whispered in our ears, "Let's go fishing!" Only man we ever really wanted to kill.—Lakeland Star.

ENTERTAINMENT

SATURDAY AFTERNOON.

The entertainment held Saturday, April 1st, at the Star Theatre, for the benefit of the School Improvement Association, was a great success. The program was a fine one, and the thanks of the association are due Miss Ella Polk, who arranged it. She was ably assisted by Miss Kate Carlton, who accompanied the various musical numbers, and by Miss Rice, teacher of expression. The association also wishes to extend its hearty thanks to Mr. Davis, who so kindly gave the use of the Star Theatre for this entertainment, and to all who so ably and creditably added to the pleasure given those present. Little Miss Dorothy Carter pleased the audience with her selections on the violin. As a result of the afternoon's entertainment, nearly twenty-five dollars was realized, and this sum will be used for improvements as needed.

Following is the program which gave so much pleasure to a great many of the Arcadia people.

"BUILDERS" MAKE FINE RECORD.

A fine record of attendance was made last month by the "Builders" class of the Baptist Sunday school. Mrs. Moore, teacher. The superintendent of the Sunday school announced at the beginning of the month that the class that made the highest average attendance for the month of March would be given a picnic at the beautiful home of Mr. W. J. Willingham, near Owens.

While a large number of the classes made splendid records of attendance, the prize was won by the "Builders," this class making an average of 123.3-16 per cent. A number of the classes made an average of more than 100 per cent. This large percentage was made possible by the fact that each class was permitted to count the ones enrolled during the month.

It was also announced that plans have been perfected for having a grand picnic at Boca Grande, May 12, at which time all the Sunday schools of the city will participate. On this excursion all children under 12 will travel free; all between 12 and 18 will be charged 50 cents for the round trip, and all over that age \$1 for the round trip.

The month of April closes the books of the Southern Baptist Convention for missions, and Pastor J. W. Vesey preached a strong missionary sermon Sunday morning from Matthew 28th chapter and 18th to 20th verses, "All Power Is Given Unto Me," etc.

The pastor laid special emphasis on the word "Go." He contrasted the way soldiers usually obey the commands of their superiors without question, with the disobedience of His professed followers in many instances in refusing to be a part of the great work. "Go preach My Gospel to every creature," He said that Christ had the right to command, and His people had no alternative but to obey, either by going in person, or sending some one in their stead. Mr. Vesey showed the folly of the statement made by many, "If God wants the people saved, He can do so without our assistance," etc. God's plan is that His people shall spread the gospel, and for us not to do so is to disobey God's explicit command.

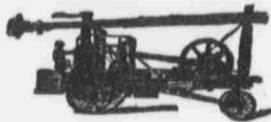

No one could listen to the burning words of Pastor Vesey and fail to be a missionary. Not to believe in missions is to disregard the teachings of the Bible.

brought on by civil warfare in which each leader issues his own money, has caused Mexicans to distrust paper money.

"You couldn't buy an egg with a \$20 bill, although you could probably buy it with a twenty-five cent piece," said a trooper from the front.

Every truck train returning from the front brings large paper bills, which soldiers with the forces have requested be changed into half dollars, quarters, and dimes.

It was Chinamen, hundreds of whom cultivate little truck gardens in the Casas Grandes district, who gave the American expeditionary troops their sincerest welcome in Mexico. These Chinese, it was said, realized much more quickly than the American people that the Americans wanted their land, and were willing to pay for it.

"With their bland smiles and their apparently hearty welcome, these Chinamen soon won a place in our hearts," said an officer of the 11th cavalry, just returned from the field. "The men are calling the Casas Grandes valley the 'oasis of rest,' because there are trees and water, and green stuff there, and it's more like home than any other place in that God-forsaken waste. The Chinamen, who know they will be paid for it, do everything they can to make the soldiers comfortable. They sell us eggs, milk, fruit, and an occasional bottle of American beer. When I asked one of them where he got the beer he just smiled and turned his palms heavenward.

Francisco Villa has shaved his mustache to prevent recognition, according to Robert Wright, a civilian chauffeur, just arrived from Casas Grandes. Wright said he obtained his information from a Mexican who escaped from Villa's band.

"The Mexican said that Villa, who has been obsessed with a maniacal desire to kill 'gringos,' is beginning to realize he is being pushed slowly to the wall," Wright said.

American army officers here who have dealings with the bandit point out that Villa's mustache was his prized adornment, and that Villa, the most photographed Mexican factional leader, always insisted upon it being properly curled before posing.

A new army motor truck company is being formed here today. Twenty-seven trucks, manned by as many civilian chauffeurs, arrived.

Six truck companies are now in operation.

COMMITTEE ARRANGING FOR HORTICULTURAL SOCIETY ENTERTAINMENT.

(From Friday's Daily.)
Minutes of a joint meeting of the entertainment committees of the Commercial Club, City Council and the Civic League, held Thursday afternoon, March 30th, in the Commercial Club office.

Minutes of the meeting held Wednesday morning by the committee were read, and after Captain Lynch explained to the committee that he merely meant to increase the membership of the committee from five to seven by the addition of two names, and that he did not intend to do away with the committee organization with Mr. Ed. Scott as chairman, it was decided best to let the committee remain as it was.

On motion of Mr. Horton, Captain Lynch was elected chairman of the meeting.

Mr. Frank Horton made a motion that Mr. Ed. Scott be made chairman of the central committee, which would be composed of the chairman respectively of the Commercial Club, City Council and Civic League committees. Mrs. Odlin seconded the motion, which was adopted.

A communication from Prof. Hume was read, and the secretary was instructed to write him that the two orators, Judge A. F. Odlin and Mr. C. H. Mitchell, had been appointed, and Mrs. Williams had been duly notified some time ago of their appointment. On motion of Rev. F. A. Shore Rev. G. P. Scott was selected as the minister to offer opening prayer at the horticultural meeting.

Matter of an excursion to Boca Grande for the delegates was discussed,

ed, but it was thought best not to take any definite action in reference to same, leaving it open for the present.

Mr. Ed. Scott stated that the finances necessary for the entertainment of the horticultural convention would have to be provided for by the board of directors of the Commercial Club and the City Council.

Mrs. Odlin made a motion, which was seconded by Rev. Shore, that the meetings of the Horticultural Society be held in the auditorium of the high school. Motion prevailed.

Mr. Dunwoody suggested that every automobile owner should be prevailed upon to assist as much as possible in conveying the delegates to and from the meetings, especially at the dinner hour.

Mr. Dunwoody also made the suggestion that the local merchants should remind the traveling men of the meeting of the Horticultural Society, and have them arrange their trips to Arcadia during this week, so that they will not spend any nights here.

Mr. Scott made a motion, which was adopted, that the committee of the Civic League be requested to make a thorough canvass of the city for the purpose of securing all the available rooms for the delegates, starting Monday morning. This committee is to convey the information to all that it is thought best under the circumstances that every one who takes in delegates should make charge for the accommodations at a uniform rate of 75 cents per bed per night, when occupied by one person, and \$1.00 for two; when meals are furnished the rate agreed upon is \$2.00 per day for two and \$3.50 for two.

Mr. Ed. Scott moved that the chairman of the central committee be authorized to take up with the president of the Tampa Board of Trade the matter of securing badges left over from last year's horticultural meeting, provided same can be purchased for at most 5 cents each. Motion duly seconded by Mrs. Horton and carried.

No further business, the meeting adjourned.

Respectfully submitted,
G. S. GARDNER, Secretary.

PERVERSE HUMAN NATURE.

When a man becomes a candidate all the little grievances against him, fancied or real, that have been accumulating for a life time, come out of hiding to smite him. In other words, a man's candidacy is a kind of clearing house, furnishing a number of little, narrow, vindictive persons an opportunity to "get even."—Lakeland Telegram.
