SUNDAY SCHOOL WORKER FINDS RELIEF

Says: "I Feel Just Splendid—Andes Overcame My Nervousness and Catarrh"

Now Sleeps All Night and Appetite Has Returned

The best evidence that Andes is filling its mission is the statements of local people who know who have been actually benefited by it. Thousands in Tampa and vicinity are now using Andes, and the great good that it is doing is the marvel of every one; but it is the strongest endorsement that can be given that Andes is a great disease banisher. An hour spent listening to what people who call at Cotten's Drug Store are saying about this modern preparation will convince the most skeptical person that Andes is doing wonders in this city.

Among the grateful users of Andes none are better known than Mrs. William Baker, of No. 72 East Fair Street, Atlanta. She is especially known as one of the city's most aggressive Sunday school workers. Recently in an interview with the Andes man, she said: "Andes has worked wonders toward relieving my condition. I had a nervous breakdown some time ago and really never regained my strength, and then I have had catarrh and chronic stomach trouble, which no doubt has kept me nervous. If I had any appetite the little food I managed to eat disagreed with me. I would belch most of the time, and was unable to sleep at night, and would get up the next morning feeling as fatigued as when I retired. Seeing Andes advertised, and hearing many tell of the relief they were obtaining, I was convinced that it was worth my time to try it. That was a happy decision, as from the first bottle of this Andes it has done me good. I now feel like a different woman, and my general health is better than it has been for years. The stomach trouble has disappeared, and my appetite has returned and the food I eat gives me strength. I want my friends to know that Andes has restored me to normal health again."

Andes' Prescription, so highly recommended by Mrs. William Baker, of 72 East Fair St., Atlanta, is now on sale in Arcadia by the Arcadia Drug Store, the exclusive agent.

UNION SUNDAY SCHOOL PICNIC ON MAY 9TH.

The Union Sunday School Picnic of Arcadia will be held Tuesday, May 9th on the west side of Peace river in the oak grove lying between the Owens and Pine Level roads.

The members, families and friends of the Sunday schools will meet at their respective churches not later than 9:30 o'clock in the morning of that date. Transportation will be furnished to the picnic grounds. Each church will transport the members of its Sunday school.

The committee in charge requests that in making preparation for the picnic the ladies confer as far as practicable and arrange their baskets

or lunches in such way that there may be a variety without different parties preparing the same articles. By this is meant that one household will supply cookies, another ham, another potatoes, etc. The committee will furnish plenty of fried fish for dinner.

Since the picnic is arranged primarily for the pleasure and benefit of the children, it is hoped that all concerned will make this a regular old time basket picnic, to be spread on one large table with the prime object of giving the little ones a day of real outing and genuine pleasure.

PEOPLE'S FORUM.

77 Grove St., Montclair, N. J.
To the Editor of the Arcadia News.

Dear Sir, To the generous people of your town I wish to say that as a member of the State Horticultural Society I last week spent a few days in your delightful place attending the meetings of that body.

When at previous conventions your representative extended to us three times in succession your kind invitation to visit your city and promised in your name cordial greetings and ample accommodations, we were finally persuaded to accept your assurances, though a little doubtfully.

I think I never attended a like gathering where there was more unanimous expression of appreciation or more general agreement that all promises had not only been fulfilled, but very much more had been added for ample measure and good fellowship.

As an association we have thanked you for the exceedingly nice manner in which you received and entertained us, but as an individual member, I also wish to express my personal thanks for your hospitality and the delightful time spent with you.

The name Arcadia will always recall pleasant memories.

Sincerely,
(Miss) Lily H. Gibson.

THE SPEAKING AT CHARLOTTE HARBOR

Saturday Was a "Red Letter" For This Community.

All the boys who attended the picnic and speaking at Charlotte Harbor Saturday report a great time, and can not say too much concerning the hospitality of the good people of the community.

After a hearty address of welcome delivered by Mr. T. A. Stephenson and responded to by the Rev. T. Sistrunk, the big crowd, numbering several hundred, partook of a sumptuous dinner that had been prepared by the citizens of this community. The supply was abundant, and of a variety as to cause all who attended to speak in the highest praise of the Charlotte Harbor people as good hosts.

The afternoon was turned over to the candidates, and they made the woods resound with such oratory probably had not been heard in the little burg for many a day.

The following candidates were present, and each cheerfully responded to his name was called:

- State Senator, C. P. Parrish.
- Circuit Judge, R. E. Brown.
- Representative, W. C. Langford.
- County Prosecutor, Grady Burt.
- H. G. Jones.
- Clerk Circuit Court, F. M. Cooper.
- A. L. Durrance.
- Sheriff, J. L. Dishong, A. C. Pezman, T. N. Carlton.
- Tax Collector, Cyril Baldwin, Durrance.
- Assessor, W. C. Hoover.
- Superintendent Public Instruction, J. O. Bickley, P. G. Shaver.
- County Commissioner, J. W. Bickley.

There were many interesting and laughable contests, among them being a Ladies' Nail Driving Contest, Men's Foot Race, a Sack Race, and Cracker Eating Contest.

We are sorry not to be able to give the winners in each of these contests but from all that is said, they were certainly lively.

"Died—of spiritual inertia, Sam Lazbyones, Esq., on the 14th ult. The immediate cause of his death was paralysis of the spine, induced by his absenteeism from church. His last words were: 'A little more sleep, a little more slumber, a little more resting of the hands to sleep.' He was prominent member of the Ancient Order of Adhesive Recalcitrants, a large concourse of the order, in regalia, followed his remains. The chaplain delivered an eloquent eulogy and said he had passed to rest." Western Recorder.
