

### SOCIAL LIFE AT BONNIE MELROSE

That Progressive Burg is Full of Gaiety at This Season.

#### MANY FINE SOCIAL FUNCTIONS

Comprising Card Parties, Social Dances, Theatricals, Etc., of Which Go to Make Life Enjoyable. Meeting of Quarterly Conference.

Melrose, Feb. 18.—Rev. P. R. Bridges, presiding elder of the Gainesville district, was in charge of the quarterly conference which met at the Methodist church on Friday, Saturday and Sunday. Each church in the charge was well represented. Three new members were admitted by letter.

The Ladies' Aid Society had a tea at the Town Hall on Tuesday evening with a financial result of over \$15.

J. A. Rimmel met with a rather unusual accident while out hunting last week. On rising from lunch he stepped on a very sharp knife which had been left on the ground, the blade penetrating the shoe and foot. Luckily no veins were cut, although bleeding profusely. The wound was promptly tied up and barring a few days of enforced rest at home, no evil consequences resulted.

H. Jackson has just finished a very comfortable covered buckboard for O. C. Grimes to carry Uncle Sam's mail and passengers.

Mrs. Charles Roberts, Miss J. Roberts, Mrs. Wm. Thomas and Miss L. Mattack, all of Westchester, Pa., are the guests of Mrs. A. M. Darlington.

Mrs. O. Waters and Mrs. Gorbelling of Chicago, Ill., are new arrivals.

The Social Tea given by the Ladies' Literary Society at their hall on Saturday evening was a most enjoyable affair, about forty being present. The hall and table were most charmingly decorated with plum blossoms in great profusion, tied here and there with pink bows to match the pink lamp shades. After a very good supper all the guests were called upon by Dr. Whitehead to show their skill at free hand drawing, the subjects being drawn by lot. A great deal of amusement was caused by the various results, showing animals not heretofore known to natural history. Each guest had to write on a slip the name of each drawing. Mrs. J. W. Johnson and Miss P. Darlington had to cut for the prize given for the most correct list, Miss Darlington being the winner. Afterwards cards were played until time for going home.

The dance given by Mrs. J. W. Rimmel and Mrs. J. B. McDonald on Thursday evening at the Ladies' Hall was a great success, about sixty guests being present. A string band of four pieces furnished some excellent music for the dancers, a spirited Virginia reel of twelve couples closing a most delightful evening.

Mrs. A. M. Darlington entertained a number of her friends at cards on Friday afternoon, and Mrs. von Noszky on Saturday evening.

The Howze Dramatic Company showed at the Town Hall for two nights. It is a good show and deserves patronage.

### MOZLEY'S LEMON ELIXIR

REGULATES THE LIVER, STOMACH, BOWELS, KIDNEYS.

The inventor of the famous "TERRELL SCRAPE," a man known wherever plows are sold and used, says:

"I have used MOZLEY'S LEMON ELIXIR for 10 or 12 years in my family for the stomach, liver and kidneys, and find it is the best medicine I have ever used. It is also a sure specific for pain in the back or under the shoulders. I have recommended it in numerous cases to my workmen, when sick and unable to work, and it has always given perfect satisfaction. H. D. TERRELL, President Atlanta Plow Co., Atlanta."

#### The Weather.

Many of our Northern visitors who have felt that the weather for the past few weeks has been quite severe, will no doubt be glad to learn what they have escaped by being here. To show what the weather has been in the southern portion of Michigan, we publish the following from a letter sent by the publisher of the Eaton Rapids Journal to W. W. Ashley of The Sun office:

"Eaton Rapids, Mich., Feb. 14.—Dear Win: Five weeks ago today you left here in a snow storm and it has continued most of the time since. Fifteen degrees below zero this morning and all trains are from one to five hours late, and some have been abandoned entirely. Almost impossible to keep warm in the front office. Folks are all well and I am growing tougher and grayer every day."

"J. S. HAMLIN."

#### Perfect Confidence.

Where there used to be a feeling of uneasiness and worry in the household when a child showed symptoms of croup, there is now perfect confidence. This is owing to the uniform success of Chamberlain's Cough Remedy in the treatment of that disease. Mrs. M. I. Basford of Poolesville, Md., in speaking of her experience in the use of that remedy says: "I have a world of confidence in Chamberlain's Cough Remedy, for I have used it with perfect success. My child, Garland, is subject to severe attacks of croup, and it always gives him prompt relief." For sale by all druggists.

#### Property Owners Slow.

Tax Assessor W. W. Colson, one of the most competent officials the county has ever had in this office, states that work in his department is progressing nicely, but makes complaint that owners of property in some instances are somewhat tardy in making returns. Property is constantly changing ownership, and Assessor Colson states that the only way in which he can keep track of transfers, etc., is to have those interested make prompt returns. It is not only to the interest of the assessor, but to the interest of the property owner as well, that prompt returns be made, both in real and personal property.

Another Case of Rheumatism Cured by Chamberlain's Pain Balm.

The efficacy of Chamberlain's Pain Balm in the relief of rheumatism is being demonstrated daily. Parker Triplett of Grigby, Va., says that Chamberlain's Pain Balm gave him permanent relief from rheumatism in the back when everything else failed, and he would not be without it. For sale by all druggists.

#### A Famous Seed House.

An instance of commercial development and growth to proportions unusual is cited in the career of the well-known seed firm, D. M. Ferry & Co., of Detroit, Mich. Since its establishment half a century ago the company, following out principles of strict business integrity and building upon unquestionable merit, has steadily grown until the name of Ferry's Seeds is now a household word with every planter in the land.

Ferry's seeds are famous for their purity, freshness and reliability. The greatest of care is exercised in their growing and selection and only seeds of the highest possible standard are placed upon the market. Every package has behind it the reputation of a house whose standards are the highest in the trade. A fresh stock, just received from the growers, is carried by dealers everywhere.

All farmers and gardeners ought to have a copy of the 1905 seed annual of the Ferry company. It contains information and suggestions that are invaluable. The annual will be mailed free to anyone addressing D. M. Ferry & Co., Detroit, Mich.

#### Conspirators.

It will surprise many to know that Washington Irving was a confessed orchard thief. Once, while picking up an apple in his own orchard, he was accosted by an urchin of the neighborhood, who, not recognizing him as the proprietor, offered to show him a tree where he could get some better apples than those.

"But," said the boy, "we must not let the old man see us."

"I went with him," said Irving, "and we stole about a dozen or two of my own apples and then went shares."

#### Thank You.

"Thanks" is a miserable expression commonly used by persons who have not had the advantages of good breeding. Every favor received and civility shown deserves to be recognized, and the smallest acknowledgment the recipient can make is to say or write, "Thank you." The vulgarity of "Thanks" is on a par with the postal card correspondence.

#### Mistakes.

When you make a mistake, don't look back at it long. Take the reason of the thing into your own mind and then look forward. Mistakes are lessons of wisdom. The past cannot be changed. The future is yet in your power.—Hugh White.
