

MUSTANGS STAMPEDE GOTHAM

One Hundred Wild Horses Roam the Streets of New York.

New York, May 15.—A taste of life on the range has been given to the residents of the upper west side by the stampeding of 100 mustangs at Sixtieth street and West End avenue.

There was a wild scramble by the cowboys who came east with the animals which were to be sold here, but the bunch scattered in all directions. After three hours most of them had been rounded up by aid of the police.

A small boy started the stampede by hurling a stone at the ponies.

Quickly alarmed by the stone and by the unusual street scenes which had confronted them on being unloaded at a North river dock, packs of the animals dashed up and down Central park, West Broadway, West End avenue and Riverside drive, and rushed back and forth through the cross streets, the clatter of their hoofs alarming the neighborhood and bringing crowds to the windows as they passed.

Saved by Dynamite.

Sometimes a flaming city is saved by dynamiting a space that the fire can't cross. Sometimes a cough hangs on so long, you feel as if nothing but dynamite would cure it. Z. T. Gray of Calhoun, Ga., writes: "My wife had a very aggravated cough, which kept her awake nights. Two physicians could not help her; so she took Dr. King's New Discovery for consumption, coughs and colds, which eased her cough, gave her sleep, and finally cured her." Strictly scientific cure for bronchitis and lagrippe. At drug stores, price 50c and \$1.00; guaranteed. Trial bottle free.

Alabama Needs Laborers.

Birmingham, Ala., May 15.—To meet the demand for more labor in this state the railroads entering Alabama have just concluded an arrangement for the establishment of an immigration and industrial bureau here, which will co-operate with the state authorities, and the various industrial and commercial bodies with a view to bringing desirable immigrants to the state. The organization will be known as the "Immigration and Industrial Association of Alabama." Part of the general plan is understood to be to secure a share of alien immigration for Alabama by having the steamship lines land them direct at southern ports.

Fire Destroys Lumber Plant.

Tallahassee, Fla., May 15.—A fierce fire occurred here when Colonel C. B. Hitchcock's immense plant, including saw mill, planing mill and crate factory was discovered to be enveloped in flames. Absolutely everything was destroyed, with two yoke of oxen, one horse and a large two-story house near by. Even the books in the office were lost. No insurance whatever. Loss \$20,000.

Warning.

You cannot have good health unless your kidneys are sound, for the kidneys filter the blood of impurities which otherwise act as irritating poisons and break down the delicate organs of the body and cause serious trouble. If you have kidney or bladder trouble and do not use Foley's Kidney Cure, you will have only yourself to blame for results, as it positively cures all forms of kidney and bladder diseases. Sold by J. W. McCollum & Co.

Statue of Gen. Gordon Selected.

Atlanta, May 15.—At a meeting Friday afternoon at the office of State Treasurer Robert E. Park, the John B. Gordon Monument association selected Solon H. Borglum, of New York, as the sculptor to build the statue of the late General John B. Gordon which will stand at the Hunter and Washington street corner of Capitol square. The selection was made after considerable discussion, the monument committee, A. C. Bruce, chairman having favorably reported upon the Borglum design.

Marshal Removed by President.

Washington, May 15.—Walter F. Matthews of Portland, United States marshal for the district of Oregon has been removed by order of the president. It is understood that this action was taken at the instance of the authorities of Oregon, as it was believed that Mr. Matthews was not sufficiently in harmony with the prosecution of land fraud cases now taking place in that state.

Cut Worms Attack Orange Trees.

San Francisco, Cal., May 15.—The horde of cutworms which have been increasing by millions in this vicinity during the last few weeks, have begun an attack on orange orchards. The worms have attacked the green fruit and buds, boring through the rind of the fruit and devouring the interior. The horticulture commission immediately ordered powdered paris green sprayed on the trees.

Cleared for Action.

When the body is cleared for action, by Dr. King's New Life Pills, you can tell it by the bloom of health on the cheeks; the brightness of the eyes; the firmness of the flesh and muscles; the buoyancy of the mind. Try them. At all drug stores, 25c.

Saves Him Money.

"Why do you always agree with your wife in everything?" she said. "I find it cheaper to do that than to quarrel with her and then buy diamonds to square myself."

Couldn't Spend It.

"Say, Bill, once I had more money than I knew what to do with." "Yer don't mean it?" "Sure. I found a quarter in a temperance town."

An Insurance.
