

RUSSIAN SITUATION GROWING SERIOUS

Rebellion Against Czar's Government Has Begun.

MANIFESTO HAS BEEN ISSUED

Authorities at St. Petersburg Seem Utterly Incapable of Handling Situation—Battleship Kniaz Potemkine at Port of Theodosia, Crimea.

St. Petersburg, July 7.—Inquiry at the admiralty this morning failed to confirm the report current last night that the Kniaz Potemkine had already left Theodosia.

"What will be done?" asked the correspondent.

"We cannot tell you," was the reply. "The whole affair is in the hands of Admiral Chouknin, and he has not communicated his plans to us."

"Do you think that on their arrival Vice Admiral Chouknin will dispatch the squadron to try to capture the Kniaz Potemkine?"

"We don't know what he will do. In my opinion the promptest solution would be to send a torpedo boat to sink her and I have advocated that course. The situation is grave. The ship is not in the hands of her crew, but in the hands of a revolutionary committee who went on board at Odessa. They issued a high sounding manifesto to the powers. They wanted to be considered insurgents. I presume their next step will be to ask for recognition as belligerents. They know their heads are forfeited and will stop at nothing. In the eyes of the law, they are outlaws and pirates. The first thing necessary is to make an example of the crew and restore discipline in the Black Sea fleet."

Admiral Wierentius said there was no truth in the report from Vienna that 400 Russian sailors had destroyed a cruiser and sought refuge on board a British steamer for Constantinople. No Russian cruiser, the admiral said, has been destroyed so far as he knew.

Inhabitants Leaving Theodosia.

Governor of Alabama Endorses Other Prominent Add Their State Officials Praises.

The Magnificent State Capitol Building of Alabama.

Governor of Alabama Commends Pe-ru-na.

In a letter dated July 23, 1899, written from Montgomery, Ala., Governor Joseph J. Johnston, says: "I join Congressman Brewer in commending Peruna."—Joseph J. Johnston.

ONE of the most wonderful events in the history of medicine is the multitude of endorsements which Peruna is receiving as a catarrh cure from men of national importance.

The most distinguished men of the United States have no hesitation in lending their influence to assist in letting the public know of the merits of Peruna.

Nearly one-half the people are in some way affected by catarrh. Therefore it is almost a national curse, and it is of national import that the people should know of Peruna.

Catarrh is an American disease. Peruna is an American remedy.

Catarrh is a result of changeable climate. Peruna is a result of long and careful experimentation.

Catarrh enters the system through the nerve centers and affects the mucous membranes. Peruna enables the nerve centers to repel and expel the catarrh from the system.

Catarrh is a systemic disease and curable only by systemic treatment.

The remedy that cures catarrh must aim directly at the depressed nerve centers. This is what Peruna does.

"For some time I have been a sufferer from catarrh in its incipient stage, so much so that I became depressed and feared my health was generally in a decline. But hearing of Peruna as a good remedy I gave it a fair trial and began to improve. Its effects were distinctly beneficial, removing the annoying symptoms, and it was particularly good as a tonic."—Robert Barber.

Collector of Port.

Hon. J. K. Burke, Collector of Port, Mobile, Ala., writes:

"Peruna I can recommend as a fine medicine. It has been used in my family and as a tonic it is excellent. I take pleasure in testifying to its fine qualities."—J. K. Burke.

Postmaster of Mobile.

Hon. P. D. Barker, Postmaster of

Mobile, in a recent letter from Mobile, Ala., says:

"Allow me to send to you my testimonial as to the good qualities of Peruna. I have used it for the past three months and find it to be most excellent tonic."—P. D. Barker.

U. S. Marshal, Northern District. Hon. Dan Cooper, U. S. Marshal for the Northern District of Alabama writes:

"Your remedy for catarrh and la grippe, Peruna, has done me so much good that I cannot speak too highly of it. "I have used it for a short time and have improved rapidly from the first day. I was really much surprised at such a quick and effective cure."—Dan Cooper.

U. S. Marshal, Southern District. Hon. L. J. Bryan, U. S. Marshal for the Southern District of Alabama writes:

"I have used Peruna for catarrh a short time and have also had several friends try it and they all pronounced it the best catarrh remedy ever put on the market. It can not be praised too highly."—L. J. Bryan.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, President of the Hartman Sanitarium, Columbus, Ohio, and he will give you the benefit of his valuable advice gratis. All correspondence strictly confidential.

Wreck Cost \$771,000.

Chicago, July 7.—The wreck of the Twentieth Century Limited on the Lake Shore cost \$771,000. This is the estimate made following the disbursement by two life insurance companies of \$266,000 to heirs of the dead. Of this sum \$100,000 was paid on life policies and \$166,000 was paid on accident policies. There remains yet to be paid by life insurance companies for deaths in this wreck \$150,000. How much the railway company affected by the wreck must pay is something of a question, but the figures among local companies show that \$95,000 will be paid for 19 deaths without litigation.

Flames in Wheat Field.

Lodi, Cal., July 7.—Fire has destroyed 400 acres of wheat and oats 6 miles west of here. It started from a hot box on a harvester. The fire burned a strip half a mile wide and two and a half miles long. One man, William Treadyway, lost 290 acres, together with fences, and his loss will be \$4,000. Fortunately for the ranchers, the wind blew in one direction. In one field of 280 acres the fire fighters succeeded in saving all but 80 acres.

TO KILL THE DANDRUFF GENI.

Is the Only Possible Way of Having An Effective Cure.

If you see a woman or a man with luxuriant glossy hair, you may be sure neither has dandruff to account for anything. In nearly every case where women and men have thin brittle hair, they are the victims of dandruff. There are hundreds of preparations that "claim" to cure dandruff, but not one but Newbern's Dandruff Cure will kill dandruff in the scalp and prevent it from growing into the scalp, and the permanent cure of dandruff and the consequent itching and balding. It should be used by the germicidal preparation that kills the germ, but Newbern's Dandruff Cure kills the cause and you remain healthy and your hair grows luxuriantly.
