

Fording on the Newberry Road Extremely Dangerous．
THE WATER FLOWS FIERCELY
The Flood Has Caused Considerable Oinconvenience to Travelers，Who Are Compeiled to Seek Relief at the Ben
nington Road Bridge． nington Road Bridge Hog Town creek，a short distane paraed by the contioued havy rains，
mad it is asid by those who have at－ hod it is said by those who have at－ thagardous undertaking． There is no bridge across Hog Town
senet on the Newberry road leading Qerbe on the Newberry road leading
Whrough Oanningham＇s lane，because Whrough Oanningham＇s lane，because
Wh the fact that ordinarily the etream Whosehes are good，and a bridge has nat been deemed necessary．The rains， lowever，have awelled the stream to
nef an extent that it is the heighth of as baeked away out into the sur－ butding swamp，and in many places Whats＇s hend． Widerable ineonvenience and＇delay
Briveling．The Hog Town creek briage，on the Bennington rosd，is Tour milles，by the route ona is com－
pelled $i o$ go，from the Newberry road ford，but people driving to and from
Gainesville have been compelled to Gampark bat this ford and use the Ben－ nington road bridge．
niagton road bridge．
The rains in this section，which have
theen almost continual for the past ree weeks，have been the heavieat
wn for many gears，and have ased a great deal of damage and in－
yenience．The low lands have oded，running the eattle onto the
solle and away from their feed，the gotion and other crops have been dam－ fost the farmers an enormous sum．
