Palm Beach county wants a wet and dry election, but just at this time the city water is so rank that the people are afraid to drink it, so the election will not be called very soon.

A negro walked into a store in Springfield, a suburb of Jacksonville, and finding no one there but the proprietor's wife, picked up the cash box and some jewelry and walked away with it.

The Pensacola band plays such stirring music at its Friday evening concerts that the "colored" people present seem possessed of an insane desire to fight. Four were locked up at the last concert.

A pardon will be sought for George Caldwell and Edward Larkins, under sentence of death, charged with the murder of N. W. Eppes in Leon county last September. Isom Edwards says he alone killed Eppes.

An unknown negro got off the train at Lloyd's on Wednesday, August 9th, stole a horse from a man in that place and started for Monticello. He stopped two miles from Micoosuki, where it was mistrusted he had stolen the horse, and when two men attempted to detain him he shot one and jumped into a buggy that belonged to Dr. Yarbrough and made his escape. He went to Monticello, where he evaded arrest after being shot, but was captured later by Sheriff Bird near Drifton. Joe Taylor, colored, was the man he killed.

Cured Hay Fever and Summer Cold.
 A. J. Nushbaum, Batesville, Indiana, writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever, and a doctor's prescription did not reach my case, and I took several medicines which seemed to only aggravate my case. Fortunately I insisted upon using Foley's"

EXPORTS TRADE VERY LARGE.

America's Manufactured Goods Find Good Markets Abroad.

Washington, August 15.—Statistics compiled by the bureau of statistics of the department of commerce and labor show that the exports of manufactures in the fiscal year just ended amounted to \$543,620,297, as against \$452,415,921 in the preceding year, \$433,851,756 in 1900 and \$183,595,743 in 1895. Of manufactures, the exports for the past fiscal year were "not only the largest on record", but are in excess of the combine exports of all articles in the centennial year 1876 and nearly \$140,000,000 more than the total imports and exports of the country at the close of the civil war.

Cotton manufactures present one of the striking features of the year's exports, having advanced from \$22,403,713 in 1904 to \$49,666,060 in the year just ending. The growth occurred chiefly in cotton cloth exports, \$14,696, being the total in 1904 and \$41,320,542 for 1905. To China there was an increase of about 400,000,000 yards over last year's exportation of 769,000,000, and the value of our cotton cloth exports to that country increased from \$4,000,000 in 1904 to \$27,750,000 in 1905. Japan was the only other country to show a considerable increase, the total being 16,000,000 yards, as against 4,400,000 in 1904.

BRUTAL ATTACKS OF NEGRO.

Assaulted Minister and Wife and is Killed Resisting Arrest.

Balston, N. Y., August 15.—The Rev. Bernard Schulte and his wife of New York city, were attacked at Mechanicsville probably fatally injured by a negro, who was shot and killed in Saratoga while resisting arrest.

Mr. Schulte came to Mechanicsville recently to take charge of the Episcopal church during the absence of the rector. Dr. Oliver Shaw Newell, who is in Europe. Early last evening Williams Curtis, a negro whose home is in Saratoga, came to the door of the rectory and asked for a drink of water.

As Mr. Schulte turned to get the water the negro drew a lead from under his coat and felled the clergyman with a terrible blow on the head, following this up with a rain of blows until his victim lay unconscious and apparently dead.

Mrs. Schulte hurried down stairs and was struck down before she could utter an outcry, the negro beating her so that she can hardly recover. Curtis was found in a negro colony, and attempted to escape. A policeman then shot and killed him.

FINAL WEEK OF LEGISLATION.

Much Work is Before Solons and Many Bills to Pass.

Atlanta, Ga., August 15.—The Georgia legislature will probably crowd more work into this, the final week of the session, than it has accomplished in any three wreeks since it assembled.

While the house is winding up its work on the new counties and discussing special appropriation bills, the senate will be wrestling with the general tax bill which it will doubtless dispose of before it takes up the new county bills passed by the house.

The will come numerous general bills for the consideration of both houses, for outside of the appropriations and tax bills, the new county bills, the reformatory bill and the child labor bill, no general legislation of any consequence has been given consideration during the forty-five days of the sessions, which has passed.

The house will conclude the new county legislation today and will then take up the general appropriations bill to pass on the senate amendments, to be followed by the bill which asks members to see who can get their an appropriation of \$75,000 for a new water works system at the state sanitarium.

Tuesday and Wednesday the house will give to general house bills and there will be a scramble among the measures acted on first. These are the last days upon which house bills can be passed in time to get through the senate at this session.

Tuesday the senate will discuss and act on the child labor bill, which has already passed the house, and this will be followed by the general tax bill, which will have to be passed at the earliest possible moment. Then the senate will be ready to tackle the new counties.

Treasure Box Found Intact.

South Bridge, Mass., August 15.—The treasure box owned by Herman S. Cheney, with contents intact, which had been missing since February, has been returned as mysteriously as it disappeared. The now famous box containing \$258,000 of negotiable and non-negotiable securities is once again in the custody of Herman S. Cheney, at his residence on Chestnut street in South Bridge. The box containing \$50,000 in cash and securities to the value of about \$250,000 was stolen from his home in February last. He had taken the box from his security vault in Boston and hidden it in his house while preparing a schedule of his property.
