**Women as Well as Men Are Made Miserable by Kidney and Bladder Trouble.**

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon disappear when the kidneys are out of order or diseased.

Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urinates too often, if the urine scalds the flesh, or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.

Women as well as men are made miserable with kidney and bladder trouble, and both need the same great remedy. The mild and the immediate effect of **Swamp-Root** is soon realized. It is sold by druggists, in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a Home of Swamp-Root pamphlet telling all about Swamp-Root, including many of the thousands of testimonial letters received from sufferers cured. In writing Dr. Kilmer & Co., Binghamton, N. Y., be sure and mention this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

a very neatly engrossed copy of resolutions adopted on his retirement from the management of The Record Printing Company, as a token of the high esteem in which he is held by that body.

Isaac Williams, a colored employe of the Jacksonville terminal yards of the Florida East Coast Railroad, was run over by a freight train Tuesday night and lost his right leg and the toes of his left foot in an attempt to board the locomotive. He was taken to the hospital at St. Augustine.

**A Warning to Mothers.**

Too much care cannot be used with small children during the hot weather of the summer months to guard against bowel troubles. As a rule it is only necessary to give the child a dose of castor oil to correct any disorder of the bowels. Do not use any substitute, but give the old-fashioned castor oil, and see that it is fresh, as rancid oil nauseates and has a tendency to gripe. If this does not check the bowels give Chamberlain's Colic, Cholera and Diarrhoea Remedy and then a dose of castor oil, and the disease may be checked in its incipency and all danger avoided. The castor oil and this remedy should be procured at once and kept ready for instant use as soon as the first indication of any bowel trouble appears. This is the most successful treatment known and may be relied upon with implicit confidence even in cases of cholera infantum. For sale by all druggists.

**They Appeal to Our Sympathies.**

The bilious and dyspeptic are constant sufferers and appeal to our sympathies. There is not one of them, however, who may not be brought back to health and happiness by the use of Chamberlain's Stomach and Liver Tablets. These tablets invigorate the stomach and liver and strengthen the digestion. They also regulate the bowels. For sale by all druggists.

**Vessel is Detained at Quarantine.**

Norfolk, Va., August 23.—The American steamer Lassell, from Port Eads for Norfolk, with a cargo of salt, is held at Quarantine off old Point. It is not believed there is any sickness aboard but as the vessel comes from the Port Eads at the mouth of the Mississippi river below New Orleans, it was deemed best to detain it for observation.

The Logan will sail for Tacloban at daybreak tomorrow. The Logan will take Secretary Taft's entire party and a company of marines to relieve the legation guard garrison at Pekin to Hong Kong, proceeding from there to Tien Tsin with those of the party who will visit Pekin. General Corbin will accompany the party to Pekin to arrange the transfer of the legation guard and then the Logan will return to Manila.

**Nothing on the Market Equal to Chamberlain's Colic, Cholera and Diarrhoea Remedy.**

This fact is well known to druggists everywhere, and nine out of ten will give their customers this preparation when the best is asked for. Mr. Obe Witmer, a prominent druggist of Joplin, Mo., in a circular to his customers, says: "There is nothing on the market in the way of patent medicine which equals Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints. **THE REAL TEST**

**Of Herpicide is in Giving it a Thorough Trial.**

There is only one test by which to judge of the efficiency of any article and that is by its ability to do that which it is intended to do. Many hair vipers may look nice and smell nice, but the point is—do they eradicate Dandruff and stop falling hair?

No, they do not, but Herpicide does, because it goes to the root of the evil and kills the germ that attacks the papilla from whence the hair gets its life.

Letters from prominent people everywhere are daily proving that Newbro's Herpicide stands the "test of use." It is a delightful dressing, clear, pure and free from oil or grease.

Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.
