

## YELLOW FEVER IS NOW MORE HOPEFUL

Surgeon White Thinks It Can Be Subdued Soon.

### TWENTY-ONE NEW CASES FOUND

Three Deaths Are Reported—The Death Rate Continues Low—Disease Has Spread to Outside Parishes. Will Control City By October 1st.

New Orleans, August 25.—If all the houses are properly disinfected and scraped, Surgeon White says there is reason to believe there will be a cessation of yellow fever in this city by October 1st. A complete sanitary survey of the city is being made.

The report up to noon today gives 21 new cases and three deaths. The total deaths is 229 and total cases 1,621.

The outside conditions are causing some uneasiness, but stringent measures have been adopted to eradicate the disease.

From the surrounding country the following reports have been sent in today: Amelia, 4 new cases; Patterson, 6 new cases; Leesville, 9 new cases; Mississippi City, 2 new cases and 1 death.

### Four Are Injured in Collision.

New York, August 25.—Two men and two women were badly hurt early today in collision between a trolley car in Brooklyn and an automobile returning from Bergen Beach. It is thought both women and one of the men will die. They are Miss Emma Judge, Miss Agnes Rice, Otto Novos and Frank Brown, owner of the motor car. Both the women were hurried to the hospital, where one was found to have sustained a fractured skull, while the other was injured internally. The woman is so badly hurt that it is feared she will die. The trolley and motor collided at a crossing at Kings Highway, while running at a high rate of speed.

San Francisco, August 25.—The Examiner, says today that Miss Lilly Belle Brown, actress, known in the profession as Miss Ida Warren, has fallen heir to a third interest in an estate valued at \$5,000,000 left by Sir Reginald Lacy, an English baronet. It is said that Reginald before attaining to the title, met Miss Brown and mother, a widow, in Washington, D. C., and became engaged to her, but died pending the marriage in Australia, where he had gone to settle some matter connected with his estate. He left the money, it is said, to Mrs. Brown, who being weak in health, has turned it over to her daughter.

## A VETERAN OF THE BLACK HAWK, MEXICAN AND THE CIVIL WARS.

CAPT. W. W. JACKSON.

*Sufferings Were Protracted and Severe—Tried Every Known Remedy Without Relief—Serious Stomach Trouble Cured by Three Bottles of Peruna!*

Capt. W. W. Jackson, 705 G St., N. W., Washington, D. C., writes: "I am eighty-three years old, a veteran of the Black Hawk, Mexican and the Civil Wars. I am by profession a physician, but abandoned the same. 'Some years ago I was seriously affected with catarrh of the stomach. My sufferings were protracted and severe. I tried every known remedy without obtaining relief. 'In desperation I began the use of your Peruna. I began to realize immediate though gradual improvement. 'After the use of three bottles every appearance of my complaint was removed, and I have no hesitation in recommending it as an infallible remedy for that disorder.'—W. W. Jackson. Address Dr. S. B. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

Charlotte, N. C., August 25.—W. C. Hardison, of Wesboro, N. Immediately on reaching his home he went to his bedroom and shot himself, dying almost instantly. The rash act is attributed to ill health, coupled with the failure of the Independent Cotton Oil company, of Birmingham, S. C.

### A "Wild Hair."

A "wild hair" is the most annoying freak of nature a man can be afflicted with. It grows in from the eyelid instead of out and, constantly brushing against the eyeball, sometimes causes an irritation that results in a loss of sight. To pull it out gives only temporary relief, since in a few weeks it comes back, as well grown and strong as ever. The only way to kill it is to destroy the sac from which it springs. This is done by means of the electric needle.
