

FIVE DAYS GRACE ON MULLET LAW

Fishermen May Continue to Ship Mullet Until November 20.

VIEW OF THE DEALERS

They Look Upon the Law as an Imposition, Not Upon Them, but Upon the Fishing Industry of Florida—Will Receive Mullet From Georgia.

According to letters received by the marketmen here from fish dealers in Cedar Key, the great Gulf fish center, it is learned that the law prohibiting the shipment of mullet, passed by the last Legislature, and which should have gone into effect today, five days grace has been granted, and that dealers may continue to receive and dispose of mullet up to and including the 20th inst.

A prominent marketman stated Tuesday that he considered the law a very poor one and discriminating against the Florida fishermen in competition with the fish dealers of Georgia. Mullet are as plentiful in the waters of Georgia as in Florida and dealers may secure fine mullet from Brunswick and Savannah in almost as quick time, and with only a little increase in cost of transportation. "We are going to have mullet if it is possible to get them, and I am sure it is," he remarked, "for the Georgia fishermen will be glad to supply us. I consider the law more of a detriment to the Florida fishermen than to the dealers."

Two Popular Young People of Alachua United in Wedlock.

Mr. S. J. Ellis and Miss Trixie Rives were united in marriage in the Methodist church at Alachua last Sunday, Nov. 12th, at noon, Rev. M. F. Mason officiating. The church was filled to overflowing by friends of the bride and groom, a large number of invitations having been issued. The bride is the daughter of Hon. and Mrs. W. O. Rives of Alachua and was reared in that neighborhood. She is noted for her amiable, sweet disposition and numbers her friends by the hundreds, while the groom is a son of Rev. V. H. Ellis and was for many years one of the most popular and efficient teachers in the county. Recently, however, he accepted a lucrative and responsible position with Hon. Frank Adams of Jasper, where they will make their home. The bride was the recipient of many handsome and costly presents as tokens of friendship.

The Sun joins the numerous friends of the happy couple in wishing them a long, happy and prosperous married life.

Vinol THE COD LIVER PREPARATION WITHOUT OIL
Vinol is fast superseding old-fashioned cod liver oil and emulsions because, without a drop of oil or disagreeable feature, it contains all the medicinal elements of cod liver oil, actually taken from fresh cods' livers. By our process the oil, having no value either as a medicine or food, is separated from the medicinal elements and thrown away. Unlike old-fashioned cod liver oil and emulsions, Vinol is deliciously palatable, agreeable to the weakest stomach, and therefore unequaled as a body builder and strength creator for old people, puny children, weak, run-down men and women, after sickness, and for all pulmonary diseases. Everything Vinol contains is named on the label.

OUR GUARANTEE—We have such faith in **VINOL** that if you will take it we promise if it does not benefit or cure you we will return you your money without question. We take all the risk.

BIG NAVAL STORES DEAL.

J. J. Haymans and T. J. Shaves Have Purchased Big Plant.
J. J. Haymans, the naval stores operator of Lochloosa, and T. J. Shaves of Eau Gallie, have purchased the interests of the Yulee Naval Stores Company at Yulee, near the Georgia line, between Waycross and Jacksonville, for which they paid \$30,000.

This farm contains thirteen crops, with five thousand acres of round timber, or a sufficient quantity to cut twenty more crops of 200,000 boxes.

Mr. Haymans, who was in the city Tuesday, operates one of the largest and most successful naval stores farms, of twenty-three crops, at Lochloosa. He declares he will make seven hundred barrels of turpentine under fair conditions this year, which means a pile of money.

Mr. Haymans does not intend to leave this part of the country. The business at Yulee will be under the management of T. J. Shaves.

Old Maids' Supper.

The Old Maids' supper, which was given at the North Gainesville Hall Monday evening for the benefit of the hall fund, was well attended, and it is needless to add, enjoyed. The girls were "dressed in their best," but were sold by weight, with the result that they realized from 20 cents to \$2.25.

The program was interspersed with "Rhymes from Mother Goose," by the little folks, and at the conclusion refreshments were served. Altogether the evening was pleasantly and profitably spent, about \$15 having been realized.

Off to Jacksonville.

Hons. Walter G. Robinson and Henry S. Chubb, register and receiver of the United States land office, left Tuesday for Jacksonville, where they attended an important meeting of the Florida State Central Committee, of which Col. Chubb is chairman. Messrs. Robinson and Chubb are among the leading Republicans of the State, and have been very active, as well as successful, in politics.

The Twentieth Century Club held its third meeting of the season at the hospitable home of Mrs. Becker, Monday afternoon. A large number of ladies were in attendance and thoroughly enjoyed the interesting program under the able leadership of Mrs. Wilcox.

Mrs. Godwin sang a folk-song of Blumenthalis, and Mrs. Becker rendered Mendelssohn's Hunting Song with her customary beautiful technique.

After the program delightful refreshments were served by the gracious hostess and the club adjourned to meet with Mrs. Bramley on November 27.

"A CASE OF SUSPENSION."

Visitors to Auditorium Tonight Will Enjoy Fine Show.

Those who attend the auditorium of the University Graded and High School tonight will not only be assisting a good cause—the football team of the school—but will enjoy a fine evening as well.

The play to be presented is a clever three-act comedy, entitled "A Case of Suspension." This story tells the troubles of three college girls off at school, and to say the least is amusing. The cast is made up entirely of high school students, as follows:

- Professor Edgerton . . . A. A. Miller
- Miss Judkins (matron of the school) . . . Miss Kate Evans
- Jones (the Janitor) . . . O. R. Albright
- Kathleen, a Celtic Maiden . . . Miss M. Cellon
- College Girls . . . Misses Fagan, Futch and Cannon
- College Boys . . . B. F. Richards, S. L. Carter, M. G. Stringfellow.

The price of admission has been placed ridiculously low, being 85 cents for adults, twenty cents for children and pupils of school.

The promoters of this entertainment state that it is being given to raise money without being compelled to ask the business men and merchants to sustain the football team. Let everybody attend.

THE CIRCUIT COURT.

Second Day Spent in Case of Mrs. Beach vs. A. C. L.

The second day of the circuit court, outside of the grand jury room, was spent in the case of Mrs. Ann Beach vs. the Atlantic Coast Line, assumpsit, damage for the death of her husband at High Springs. The case occupied the entire day, and up to last night the evidence was not completed.

The court will convene again at 9 o'clock this morning, when the case will be resumed.

State's Attorney Calhoun says that the grand jury has one of the busiest terms in the history of the county. Out of the sixty-one cases before the jury five are charged with murder and twenty-four on charges of selling liquor in a dry county.

Huxley's tables of the weights of man show that the human body is made up of thirteen different elements, of which five are gases and eight solids.
