DR. J. E. ENNIS

Atlanta, Ga., Physician Addresses the People of Gainesville on a Matter of Importance.

"The Vinol, My friends, of late there has been a great deal of discussion in regard to food and its medicines. Their value and power is great.

"I want to say to the people of Gainesville that I believe the most valuable and powerful preparation, the best body builder, health restorer, and strength creator, known to medicine today is Vinol.

"While Vinol does not contain the system-clogging oil of unfashioned cod liver oil and emulsions, it contains a pure and delicate, most essential principle of the cod's liver in a highly concentrated form, and it is delicious to take.

"I advise Vinol in my practice, and find it has no equal for healing the stomach, bronchial troubles, and scrofula.

"I have used Vinol in many cases of indigestion, nervousness, and for patients who were weak and run down, with splendid results. I have found Vinol to be a boon to the aged, as it aids the enfeebled system to sustain life; it induces appetite and restful sleep; it is a real body builder, and thus prolongs life.

"I believe Vinol to be well worthy of any honest physician's endorsement."

Our local druggist, W. M. Johnson, sells Vinol to the people of Gainesville, on a positive guarantee; if it fails to give satisfaction the entire purchase money will be refunded.

SORES-ULCERS THE BLOOD DISEASED -SYSTEM DISORDERED

When a Sore or Ulcer is slow in healing it is the best evidence of a diseased condition of the blood and a disordered system. They show that the blood impurities, which should pass off through the natural channels of nature, are being retained in the system from some cause. The blood absorbing the waste matters becomes steeped in poison which finds an outlet through the Sore or Ulcer, keeping it inflamed, painful and festering. As the blood constantly discharges its poison into these places, they eat deeper into the surrounding flesh and tissues, growing larger and more offensive in spite of all the sufferer can do, until the entire health is affected. Washes, salves, powders and such treatment are desirable for the reason that they are cleansing and also help to relieve the pain, but they are in no way curative. The blood is filled with poison, and until it is removed the sore cannot heal. S. S. S. is the only cure for these evidences of impure blood. It goes down to the root of the trouble and cleanses the circulation of all poisons and impurities. S. S. S. enriches the blood and reinvigorates the different members of the body so that the impurities and waste matters can pass off as nature intended. Then the discharge ceases, the sore scabs over, new flesh is formed, and the place heals permanently. Stick on Sores and Ulcers and any medical advice you need without charge.

S.S.S. PURELY VEGETABLE.

I have not words strong enough to praise your great medicine. I had a sore on my left temple for years. It would itch, burn and bleed, and I could not get it to heal. After taking S. S. S. while it began to discharge, and when the poisonous matter was out it healed. This was about ten years ago and I have never seen any sign of it since. Gant, Mo. JOSEPHUS REID.
