DR. SPURGEON'S LECTURE.

On Life and Ministry of C. H. Spurgeon—An Interesting Address.

The final or farewell address of Dr. William Spurgeon, who has been conducting a series of meetings in this city the past week, was given at Kavanaugh Methodist Church Monday night, the subject being "The Life and Ministry of C. H. Spurgeon" with lessons.

The meeting was well attended, and those who heard the great speaker were greatly impressed.

Dr. Spurgeon, who has done great work here, expects to make his departure in a day or two for other points where he will begin another meeting. The people of Gainesville appreciate his work.

Marriage at High Springs.

There was a happy marriage at High Springs Sunday night, the contracting parties being John Vassie and Miss Mamie Barrs, the charming daughter of Dr. and Mrs. C. C. Barrs. The ceremony was performed at the home, in the midst of the relatives and a few immediate friends of the contracting parties.

The groom is a well known young man of High Springs, being a machinist, with many friends. He was for some time employed as a machinist in the shops at that place. The bride is also well known, and is very popular in High Springs, where she has resided with her parents for several years.

The happy young pair arrived in this city Monday morning, and while here a few hours were guests of Mr. and Mrs. C. A. Nichols, East Orange street, where they were warmly welcomed.

MR. PURNELL TO LEAVE.

One of Gainesville's Old Residents Will Make His Home in Georgia.

As will be noted in this issue of The Sun, the firm of A. M. Purnell & Son, grocers, will be dissolved, A. M. Purnell, the senior member of the firm, retiring.

Mr. Purnell has decided to return to his old home in Georgia, and will reside for the next few months on his farm near Quitman. In his departure the people of Gainesville feel that they have lost a good citizen and a pioneer, since he has been a resident of the city for the past quarter of a century, and he has made a resident of which they all feel proud. For several years he has been engaged in the grocery business on South University street, where he was quite successful, but finally moved to the location at the corner of East Main and East Union streets, where he has since enjoyed a lucrative trade with his son as an associate.

A few months ago Mr. Purnell went to Waycross, Ga., with his wife, who had been suffering for some time. He had the misfortune to lose his wife a few days ago, and, since this misfortune visited him, does not feel disposed to remain here.

"I love Gainesville," remarked Mr. Purnell, in referring to his removal, "and shall always call it home. I have seen the town grow up from the oak thickets, and feel as much right to call it my home as any other man. I have seen it prosper from time to time, and no man has observed it with more enthusiasm and gladness. All I have to say is that now I am going back to my old home for awhile, but you may feel sure that you will be 'bothered' with my presence every once in a while."

Mr. Purnell may feel sure that his friends will not be "bothered" by his appearance, but will always be welcomed.

Sunday's Fire.

An alarm of fire was turned in Sunday at 1:50 p. m., which summoned the department which its usual promptness to the home of Mrs. Dennis, corner West Main and Court streets. The roof was discovered to be on fire, caused supposedly from a spark from the chimney, but the damage was slight. The alarm attracted a large number of people.

The department on this occasion, as on all others recently rendered quick and effective work, which demonstrates that it is in the hands of officers who thoroughly understand their business, and Chief O'Neill and his subordinates have the confidence of the people of the city who know how to appreciate a good and efficient service.

SUNDAY'S UNION SERVICE.

Dr. Spurgeon Preached Fine Sermon Which Was Fully Appreciated.

The great services of the Methodist Episcopal Church, Prebytery of Florida, which were held at the Tabernacle Sunday evening, were most successful. Dr. Spurgeon's services of the evening were to be regretted, as he was unable to attend them on account of the fact that the Union service was held in a big building like the Tabernacle.

Dr. Wm. Spurgeon, the great London preacher, than whom there are no superiors in this country, delivered a fine discourse. Dr. Spurgeon has been here for the past week endeavoring to interest the Christian people and others in a revival, but it seems that on account of other functions he has not been enabled to attract as large congregations as he desired. He is an eloquent speaker, however, and his earnestness is sufficient to impress anyone who has heard him.

The sermon Sunday night was one full of earnestness, and those present appreciated the same. It is to be regretted that he closed his engagement, which should have been for ten days, with the lecture at the Methodist church Monday night.

For Miss Allie Garner.

Mr. and Mrs. John Allen Lynch entertained Friday evening from 9 to 11 o'clock in honor of their guest, Miss Allie Garner of Ozark, Ala.

They were assisted in receiving in the front parlor by Mrs. W. Frazer Jones, Little Miss Katharine Lynch giving to all a hearty welcome at the door in her charming childish manner. The home was a scene of beauty with the profusion of flowers and greens. Delightful refreshments were served in the dining-room during the evening.

The charming hostess was attired in a dainty costume of white, the guest of honor being dressed in white organdy with elaborate lace trimmings. —Times-Union, Sunday.

Eczema, Tetter, Salt Rheum, Itch, Ring Worm, Herpes, Barber's Itch.

All of these diseases are attended by intense itching, which is almost instantly relieved by applying Chamberlain's Salve, and by its continued use a permanent cure may be effected. Notice of Dissolution.

To Whom it May Concern: The firm of A. M. Purnell & Son has this day been dissolved by mutual consent, A. M. Purnell retiring. P. E. Purnell will continue at same stand and assumes all liabilities and collects all bills due said firm. A. M. PURNELL, March 26, 1906. P. E. PURNELL.

MEN ARE POWERLESS

To Fight Against Disease Unless They Strike at the Underlying Cause.

To treat Dandruff and Falling Hair with irritants or oils on which a parasitic germ will prosper, is like pouring water from the ocean to prevent the tide from rising.

You cannot accomplish a satisfactory cure without having a right understanding of the fundamental causes of the trouble.

You must kill the Dandruff Germ. Noshley's Herpicide does this because it is especially made to do that very thing. When the germ is removed, the hair has no choice but to resume healthy growth and beauty.

Destroy the cause, you remove the effect. Sold by leading druggists. Send for stamps for sample to The Herpicide Co., Detroit, Mich.

Tumors Conquered Without Operations

Unqualified Success of Lydia E. Pinkham's Vegetable Compound in Cases of Mrs. Fox and Miss Adams.

Fannie Fox

Miss Lucilla Adams

One of the greatest triumphs of Lydia E. Pinkham's Vegetable Compound is the conquering of woman's dread enemy, Tumor.

So-called "wandering pains" may come from its early stages, or the presence of danger may be made manifest by excessive monthly periods accompanied by unusual pain extending from the abdomen through the groin and thighs.

If you have mysterious pains, if there are indications of inflammation, ulceration or displacement, don't wait for time to confirm your fears and go through the horrors of a hospital operation; secure Lydia E. Pinkham's Vegetable Compound at once and begin its use and write Mrs. Pinkham of Lynn, Mass., for advice.

Read these strong letters from grateful women who have been cured:

Dear Mrs. Pinkham:— (First Letter.) "In looking over your book I see that your medicine cures Tumors. I have been to a doctor and he tells me I have a tumor. I will be more than grateful if you can help me, as I do so dread an operation."—Fannie D. Fox, Bradford, Pa.

Dear Mrs. Pinkham:— (Second Letter.) "I take the liberty to congratulate you on the success I have had with your wonderful medicine.

"Eighteen months ago my periods stopped. Shortly after I felt so badly I submitted to a thorough examination by a physician, and was told that I had a tumor and would have to undergo an operation. I soon after read one of your advertisements and decided to give Lydia E. Pinkham's Vegetable Compound a trial. After taking five bottles as directed, the tumor is entirely gone. I have again been examined by Lydia E. Pinkham's Vegetable Compound; a Woman's Remedy for Women's Ills.

Such unquestionable testimony proves the value of Lydia E. Pinkham's Vegetable Compound, and should give confidence and hope to every sick woman. Mrs. Pinkham invites all ailing women to write to her at Lynn, Mass., for advice.
