**Marriage of a Popular Couple—Revival Meeting—Other Notes.**

High Springs, March 28—A quiet but very beautiful wedding took place in town Sunday evening, March 25th, that of Miss Mamie Barrs, daughter of Dr. C. C. Barrs, mayor of High Springs, and John Vassie, of this place. This event excited unusual interest on account of the popularity of the bride and the high social standing of the family.

The house was beautifully decorated with green vines and flowers, while the wedding bell suspended from the ceiling in the recess where the couple stood gave the hymeneal air appropriate to the occasion.

The couple entered the parlor to the strains of the Mendelssohn March, played by Mrs. P. P. Wood. The beautiful Presbyterian wedding ceremony was touchingly performed by Rev. G. E. Thompson.

The bride was lovely in a white silk princess gown, with white hyacinths in her brown hair, and on her corsage.

The groom is a young man of fine character, possessing many sterling qualities of heart and mind.

There was a godly company of friends to witness the ceremony and extend congratulations to the young couple.

Elegant refreshments were served by the charming hostess, Mrs. Barrs, and the evening was one of pleasure to all.

**THE NEWS FROM MELROSE**

An Enjoyable Pumpkin Patch Picnic (Other Notes of Interest.)

Melrose, March 28—Mr. and Mrs. H. W. Hamlyn gave a most delightful picnic at the Pumpkin Patch on Thursday. At 11 a. m. the guests began to arrive at the Hamlyn cottage, where the host and hostess gave each one a hearty welcome. When all had assembled they went down to the dock, where the "Edie," their famous motor launch, was looking her prettiest, with flag and pennant flying. It was an ideal morning and everyone was in the highest spirits, and the launch cut through the water as if she entered into the pleasure of the day and meant to do her best. A row boat was towed behind, containing the luncheon, with T. A. Birt in charge. On the arrival, while most of the guests explored the "jungle" and other beauties of the "Patch," Mrs. Hamlyn and a few of her friends, with the assistance of Mr. Birt, set the table and spread out the good things provided by Mr. Laughlin of the Bay View House. A more sumptuous repast it would be difficult to imagine, and nothing had been forgotten, not even the salt and pepper, which are usually left behind. After doing full justice to all the good things provided, all of the guests enjoyed the different games brought along by the hostess until the setting sun showed that the hour of return had arrived. The trip home was passed most pleasantly by singing and story telling, and thus ended one of the most enjoyable days of the Melrose season.
