

ALACHUA DIRT IS STILL ON THE MOVE

LARGE NUMBERS OF TRANSFERS RECORDED PAST FEW DAYS.

General Conditions Throughout County and Activity in Gainesville Responsible for State of Affairs.

Notwithstanding the fact that spring is a usual quiet season in all commercial and business branches with the exception of the ice and cold drink man, it is gratifying to note the continued interest manifested in real estate, as the numerous transfers are strongly indicative of the confidence of the people in the future of Gainesville and Alachua county. This may be attributed largely to the general prosperity throughout the county, together with the activity of building in the city. A large number of contracts are either under way or will begin soon, which means that Gainesville will prove a busy place during the entire summer. This fact invigorates the progressive mind, with the result that real estate transfers are being continuously recorded.

The following is a list of recent transfers, as taken from the records in the office of Clerk of the Court S. H. Wienges:

Do You Get Up With a Lame Back?

Kidney Trouble Makes You Miserable.

Almost everyone knows of Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy, because of its remarkable health restoring properties. Swamp-Root fulfills almost every wish in overcoming rheumatism, pain in the back, kidneys, liver, bladder and every part of the urinary passage. It corrects inability to hold water and seal the pain in passing it, or bad effects following use of liquor, wine or beer, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night.

Swamp-Root is not recommended for everything but if you have kidney, liver, or bladder trouble, it will be found just the remedy you need. It has been thoroughly tested in private practice, and has proved so successful that a special arrangement has been made by which all readers of this paper, who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root, and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Home of Swamp-Root, Binghamton, N. Y. The regular fifty-cent and one-dollar size bottles are sold by all druggists. Don't make any mistake but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

SHERIFF'S SALE.

Under and by virtue of an order and decree made and entered by the Judge of the Circuit Court of the Eighth Judicial Circuit of Florida, in and for Alachua county, in Chancery, dated May 12th, 1909, in a certain case therein pending wherein D. E. Martin is complainant and John Hampton and Lawyer Hunt are defendants, I will sell at public outcry before the court house door at Gainesville, Florida, on the 24th day of May, A. D. 1909, during the legal hours of sale to the highest and best bidder therefor for cash, the following described personal property, to-wit:

One cream-colored horse, named "Charlie"; one black top buggy, and one set of harness; said property to be sold as the property of Lawyer Hunt, one of the defendants in the above styled cause.

This May 13th, 1909.
P. G. RAMSEY,
Sheriff of Alachua County, Florida.

Everybody is likely to have kidney and bladder trouble. In fact nearly everybody has some trouble of this kind. That is the reason why you so often have pains in the back and groin, scalding sensation, urinary disorders, etc.—that's your kidneys. The best thing to do is to get some of DeWitt's Kidney and Bladder Pills right away. Take them for a few days or a week or so and you will feel all right. In this way, too, you will ward off dangerous and possible serious ailments. They are perfectly harmless, and are not only antiseptic, but allay pain quickly by their properties. Send your name to E. C. DeWitt & Co., Chicago, for a free trial box. They are sold here by all druggists.

Tactless.

"When Chubb gets arguing he loses all tact."
"As for instance?"
"Why, last night he told an opponent who is lame that he hadn't a leg to stand on, another who squints that he was sorry he couldn't see things as he did, and a man who stammered he urged not to hesitate in expressing an opinion."—Stray Stories.

FOR COLDS and GRIP.

Hicks' CAPUDINE is the best remedy—relieves the aching and feverishness—cures the cold and restores normal conditions. It's liquid—effects immediately. 10c, 25c and 50c at drug stores.

Objects of General Interest.
"Those flashy Van Punks have moved. Do you know where they went?"
"That's the very thing their unhappy landlord asked me."—Cleveland Plain Dealer.

Itching, bleeding, protruding or blind piles yield to Doan's Ointment. Chronic cases soon relieved, finally cured. Druggists all sell it.

DIED IN PRISONER'S CELL.

Demented Negro Found Dead by Jail or Torrey Sunday Afternoon.

Some excitement was occasioned, especially among the superstitious negro prisoners, Sunday afternoon, when Jailor Torrey went to a cell occupied by Will Shuman, a demented negro, and found the unfortunate man's lifeless body lying upon the floor. Jailor Torrey spoke to the man, and, receiving no response, approached him when he made the ghastly discovery.

Shuman was brought to this city from Dutton, where he had been employed in the phosphate mines, about a week ago. The man was unseasoned when brought here, and has remained in that condition ever since, even to the extent that it was necessary to force food down his throat. He was not only a mental, but a physical wreck.

The remains were turned over to the Thomas Undertaking Company, and the unfortunate man was buried Monday morning.

Vain Regrets.

"That man Riffin lacks courage and energy."
"Yes, confound him!"
"Why do you say that?"
"Because he was courting my wife long before I met her. If he had had a little more courage and energy—But what's the use of talking about it now?"—Cleveland Plain Dealer.

What Rules the World.

When Napoleon caused the names of his dead soldiers to be inscribed on the face of Pompey's pillar, some one criticized the act as "a mere bit of imagination." "That is true," replied Napoleon, "but imagination rules the world."—Atlantic.

Compensation.

A young cadet was complaining of the tight fit of his uniform.
"Why, father," he declared, "the collar presses my Adam's apple so hard I can taste it!"—Harper's Weekly.

FAULTLESS PRESCRIPTION.

No Remedy for Stomach Distress and Indigestion So Perfect.

A scientific prescription for dyspepsia put up in small tablet form and called Mi-o-na is making thousands of quick and lasting cures throughout America.

There is no stomach disease (even catarrh of the stomach) that it is not guaranteed to cure, and J. W. McCollum & Co. have so much faith in Mi-o-na for stomach disorders of all kind that they will refund your money if it does not cure.

Mi-o-na, the faultless prescription, stops sour stomach, belching of gas, distress after eating, heartburn, biliousness and nervousness.

It is well worth a trial by any reader of The Sun who suffers from any stomach disturbance. It contains ingredients that not only give relief but that act on the stomach so beneficially that in a short time the flabby, tired out walls of the stomach regain their strength and activity and can perfectly digest any kind of food without aid.

Try Mi-o-na for a week: misery will change to happiness; despair to hope; dull eyes to bright and you will yourself wonder why you suffered so long with such a remarkable prescription at hand.

And only 50 cents for a large box at J. W. McCollum & Co's. and at druggists everywhere.

TELEPHONE TALKS

The Long Distance System

One of the most valuable features of our service, to our subscribers and to the public generally, is our connection with the extensive long distance lines of the American Telephone and Telegraph Company and the other associated Bell Telephone companies.

We own thousands of miles of long distance lines in the seven States in which we operate and in addition can connect any telephone in our system with lines extending to any other city in which a Bell Telephone system is operated.

These long distance lines are of the most modern and improved construction and are maintained at a high state of efficiency. The Bell system, operating in various sections of the country, are uniform in their equipment and in their methods of operating.

Only by reason of this close traffic arrangement between the Bell Telephone companies is it possible to go to a Bell Telephone almost anywhere, ask for "Long Distance" and be put in communication with almost any point in the country.

This vast network of wires, radiating throughout the nation, is used daily in commerce and for social purposes by the banker, the farmer and citizens in all walks of life and our plant here is an important link in this great chain.
