

OWENS REMAINS INDIFFERENT IN THE JAIL

WANTS MEETING HELD IN PRISON FOR HIS BENEFIT.

Spends His Time Reading Bible and Laughing and Chatting With All Cellers at Jail.

R. H. Owens, the white man now confined in the county jail and sentenced to be hung on July 9th, was seen by The Sun reporter on Saturday and asked if he had anything to say for the public.

He stated that he had religion, and that Rev. T. P. Hay of the Presbyterian church is helping him a great deal during this time for the benefit of his soul.

At the last appearance of the minister, he asked Mr. Hay to bring a number of people to the jail and have a meeting in the place, for he felt that this would greatly help him.

At times Owens talks very earnestly in his efforts toward seeking religion and one would judge that he is finding faith in his Maker, then at other times he is hard to understand.

During Friday afternoon he was with his wife, talking of the hanging, and both were laughing, hence it seems that neither of them can take the matter in a serious way.

Refuses to Shave.

Owens has stoutly refused to have himself shaved, claiming that he will let his beard grow to keep the rope from scratching his neck and such other foolishness, and people who visit his cannot work up much sympathy for the man.

He keeps his Bible, and when someone is not visiting at the jail, can very often during the day be found reading it with all the interest imaginable, and on the other hand will laugh and talk of the hanging in a half-hearted manner, which shows that he is either not capable of understanding his predicament, or else cares little for this life.

Don't Diet For Fat

You have no appetite for gruel, have you? By the same token, if you scale in excess of 150 pounds, I know you have no great liking for gymnasium stunts. As a rule fat folks are neither athletic nor ascetic, except under compulsion, and nowadays they are not under compulsion to be either, no matter how necessary it is for them to reduce. There is a third, better, and surer way of getting rid of superfluous flesh.

The trouble with both dieting and exercise is, first, the trouble; second, the danger (fatty heart); third, wrinkles; and, fourth, stomach disgust. You are liable to all four if you exercise or diet. On the other hand, you can sidestep all four, and still reduce as much or little as you please, even up to losing a pound a day if you see fit, by taking a teaspoonful after meals and at bedtime of the following simple home receipt: One-half ounce Marmola, 1/4 ounce Fluid Extract Cascara Aromatic, and 3/4 ounces Peppermint Water.

Any druggist will fill this prescription for you cheaply, and you may take it with perfect confidence that it will do no manner of harm. Instead it almost invariably improves the health and, likewise, the complexion.

Man Killed Twice.

An English paper is responsible for stating that a man "was overtaken by a passenger train and killed. He was injured in a similar way about three years ago."

HEALTHY PLANTS

Require the Most Careful Attention as Well as Good Soil. Did you ever see a rosebush which despite the most beneficent environment of soil—of sunshine—and of atmosphere, seemed never to achieve a healthy growth? A ton of manure will not help a plant that has a canker eating out its heart. You must destroy the cause before you can remove the effect. You cannot cure Dandruff and Baldness by rubbing on hair lotions, and rubbing in vasoline, etc. You must look to the cause of the trouble—it's a germ at the roots of your hair which causes it to fall out. Newbro's Herpicide destroys the germ, and healthy hair is the sure result. Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich. B. Rodford & Co., Special Agents.

AFTER SUFFERING TEN YEARS

Cured by Lydia E. Pinkham's Vegetable Compound

MARLTON, N.J.—I feel that Lydia E. Pinkham's Vegetable Compound has

given me new life. I suffered for ten years with serious female troubles, inflammation, ulceration, indigestion, nervousness, and could not sleep. Doctors gave me up, as they said my troubles were chronic. I was in despair, and did not care whether I lived or died, when I read about Lydia E. Pinkham's Vegetable Compound; so I began to take it, and am well again and relieved of all my suffering. —Mrs. GEORGE JORDY, Box 46, Marlton, N.J. Lydia E. Pinkham's Vegetable Compound, made from native roots and herbs, contains no narcotics or harmful drugs, and to-day holds the record for the largest number of actual cures of female diseases we know of, and thousands of voluntary testimonials are on file in the Pinkham laboratory at Lynn, Mass., from women who have been cured from almost every form of female complaints, inflammation, ulceration, displacements, fibroid tumors, irregularities, periodic pains, backache, indigestion and nervous prostration. Every suffering woman owes it to herself to give Lydia E. Pinkham's Vegetable Compound a trial.

If you would like special advice about your case write a confidential letter to Mrs. Pinkham, at Lynn, Mass. Her advice is free, and always helpful.

MELROSE MENTION.

Avocado Pears Successfully Grown at Earleton—Personal Notes.

MELROSE, June 12.—That Avocado pears can be raised successfully here was proved by two fine specimens received a few days ago by your correspondent. They were grown at Earleton, on the shores of Lake Santa Fe by Baron von Lutichau. The tree is fully 30 feet high and has fruited for several years. Another new fruit or vegetable is being grown by C. D. Miller of Melrose. It is called a "vegetable" lemon. He has also a fine stand of wonderberries, which are just setting fruit.

The list of delinquent town taxes for 1908 is posted at the post office. Are you there?

Very favorable news of the condition of Albert Goodson is given out, who is rapidly recovering from his sickness. The nurse will probably return to Jacksonville on Monday.

Dr. W. H. Lee, Jr., has gone to Ocala to appear before the State Medical Board.

Among the visitors in town during the week were Rev. and Mrs. Strunk, Micanopy, and O. C. Husband, Starke.

Men Past Fifty in Danger.

Men past middle life have found comfort and relief in Foley's Kidney Remedy, especially for enlarged prostate gland, which is very common among elderly men. L. E. Morris, Dexter, Ky., writes: "Up to a year ago my father suffered from kidney and bladder trouble and several physicians pronounced it enlargement of the prostate gland and advised an operation. On account of his age we were afraid he could not stand it and I recommended Foley's Kidney Remedy, and the first bottle relieved him, and after taking the second bottle he was no longer troubled with his complaint." J. W. McCollum & Co.

Reassuring Him.

"A little final advice," said a professor of elocution, addressing his pupils before the annual entertainment—"go well to the front of the stage, don't hesitate and don't be nervous!" "But, I say, professor," remarked a very self-satisfied member of the class, "suppose I forget part of my oration?" "Oh, that doesn't matter," replied the professor. "On the contrary, the more of it you forget the better the audience will like it!"

Kept Him Busy.

"Did you do much sightseeing when you went abroad?" "No," answered Mr. Cumrox. "Mother and the girls did the sightseeing. I had to put in my time finding the places where they cash letters of credit."—Washington Star.

RESOLUTIONS OF RESPECT.

Committee Draft Them for Approval of the Bar Association.

W. H. Palmer, Esquire, a member of the bar of this court, died January 31st, 1909. Mr. Palmer was a native of the State of Michigan, having been born there 65 years ago. He was raised and educated in that State and graduated from the law department of the State University located at Ann Arbor in 1871. He practiced law in Detroit and other points in Michigan for some twelve or thirteen years, and was for a while a member of the Legislature of that State.

In 1884 he came to Gainesville, Florida, seeking a home in a more genial climate. In the first four years of his life here he was editor of a newspaper published in this city, but began the practice of his profession here in the latter part of 1889. This he continued until his death. For the last four years of his practice he was referee in bankruptcy, under appointment of Judge J. W. Locke, United States District Judge for this division of the then Southern District of Florida.

While modest and unassuming, Mr. Palmer was a man of strong convictions and of firm and upright character. Of excellent business judgment and foresight, he was also generous and charitable. He was courteous in habit and speech, fair and honorable in every way in his relation with his brother practitioners. His death is a loss to the bar of this county, of which they are deeply sensible and his example is worthy of emulation. Therefore be it

Resolved, That the bar of this court give expression to their esteem and regard for their departed brother practitioner and record this evidence of their sorrow and irreparable loss; be it further

RESOLVED, That these resolutions be engrossed upon a page of the minutes of this court, which shall be set apart to his memory, and that the clerk of this court do forward a copy thereof to the members of his family; Respectfully submitted,

ROBT. E. DAVIS,
HORATIO DAVIS,
E. E. VOYLE,
Committee.

State of Florida County of Alachua: I, S. H. Wienges, Clerk of the Circuit Court, Eighth Judicial Circuit of Florida, in and for Alachua county (the same being a court of record, do hereby certify that the above and foregoing is a true and correct copy of what it purports to be from the face thereof as the same appears of record in Judgment Book No. 13 at page 121, the same being one of the public records of my office and the minute book of our circuit court.

In testimony whereof I have hereunto subscribed by name and affixed the seal of our said circuit court this 11th day of June, A. D. 1909. (Seal) S. H. WIENGES, Clerk Circuit Court.

Poor Milk

Is often thought to be responsible for an infant's loss in weight or general poor health. The cause usually is that the child has worms. They get the nourishment of the food and the baby starves, actually starves. White's Cream Vermifuge expels the worms and nourishes the child, sure and safe. Price 25 cents. Sold by W. M. Johnson.

Football as Played in Labrador.

One must not imagine it is all work and no play with the Labrador Eskimos. Much to my surprise, I found that our good old game of football had taken hold in Ungava. The game is played with a ball of seal skin stuffed with grass. The goals are placed much the same as in our own game, and each player is armed with a short handled sling made of several thongs of seal hide bent in loops and attached to a wooden handle. The ball may either be tossed in the sling, kicked or, should opportunity offer, picked up and carried. Rough tactics are not barred. I have seen a man tossed in the air and pitched headforemost into a snow bank, while pushing, tripping and blocking are all freely indulged in. —Recreation

BETTER THAN SPANKING.

"Spanking does not cure children of bed-wetting. There is a constitutional cause for this trouble. Mrs. M. Summers, Box W, South Bend, Ind., will send free to any mother her successful home treatment, with full instructions. Send no money, but write her today if your children trouble you in this way. Don't blame the child, the chances are it can't help it. This treatment also cures adults and aged people troubled with urine difficulties by day."

OFFICIAL DIRECTORY.

You Never Can Tell

Just exactly the cause of your rheumatism, but you know you have it. Do you know that Ballard's Snow Liniment will cure it?—relieve the pain, reduce the swelling and limber the joints and muscles so that you will be as active and well as you ever were. Price 25c, 50c and \$1.00. Sold by W. M. Johnson.

The Clarinet.

The clarinet has the richest, sweetest voice of all the wood wind instruments, although its sound does not travel quite so far as that of the oboe. Whenever, as sometimes happens, there are two melodies to be played at once, the clarinet takes the lower of the two, while the violins play the upper and more important one. But in a military band, where there are no strings at all, the clarinets play the chief melody. The bass clarinet is not so smooth or so sweet as the higher ones. It has a rather choky sound, though softer than that of the bassoon.—St. Nicholas

A Vital Point

The most delicate part of a baby is its bowels. Every ailment that it suffers with attacks the bowels also endangering in most cases the life of the infant. McGee's Baby Elixir cures diarrhoea, dysentery and all derangements of the stomach or bowels. Sold by W. M. Johnson.

The First Word.

"That is what I call an ideal marriage," Hardy declared to his wife as they were walking homeward after an evening at the Carrolls'. "Actually, I believe, both think absolutely alike." "Yes, they are certainly charming," assented Mrs. Hardy; "but about the thinking, Joe, if you will notice, she generally thinks first."—Youth's Companion.

Chamberlain's Cough Remedy is sold on a guarantee that if you are not satisfied after using two-thirds of a bottle according to directions, your money will be refunded. It is up to you to try. Sold by all druggists.
