BLANDING—GORDON.

Depressive Wedding Ceremony at "The Pines" Tuesday Evening.

At "The Pines," on the evening of July 6th, Capt. J. W. Blanding, prominent in banking and military circles, and Miss Ammonette Gordon, a rich and attractive young lady of DeLand, were married by Parson H. J. Babers.

Promptly at 9 o'clock, to the sweet strains of Mendelssohn's Wedding March, which was played by Mrs. H. S. Graves, the "bride" party entered, ushered in by Mr. A. C. Bennett, attired in becoming Prince Albert garb. Next came Master Jackie Jackson in a sailor suit and red stockings to match, bearing the ring upon a scarlet pillow; then came the flower girls, little Misses Mabel Voyle and Ethel Webster, the one dressed in a yellow empire that matched her flowing locks, the other in a "Mary Jane" costume. Following them came the bride's maids, Misses Eloise Robinson and Eva Means, in green and blue silk. Following the maid of honor, Miss Va Lera Bennett, in a white princess with pink trimmings, came the bride on the arm of her father, Mr. L. C. Coles. The bride looked most scrumptious in a pink gown cut en train with a mosquito net veil caught with jewels and a diamond pin. Around her neck she wore a costly necklace of pearls, the gift of the groom, and carried a gorgeous shower bouquet of sunflowers and real asparagus.

The bride's father looked most nifty in a Japanese dressing gown.

The party was met at the folding doors by the minister, wearing a white robe, the groom and the best man, Mr. Roy Vincent Ott.

The groom wore the inventional suit, gray trousers and black coat, a tall silk hat and a huge buttonier, while the best man looked very be-gona in full evening dress and a black eye.

After the preacher, in a most depressive manner, pronounced them "man and woman," the bride party retired to the dining hall, where punch was served while the bride cut the cake. Miss Means got the ring, Miss Voyle the dime and Jackie the thimble.

From the stairs the bride threw her bouquet, which was caught by Miss Robinson.

The bride and groom left shortly afterward to spend their honeymoon at Hogtown Creek amid a shower of puffed rice, and were greeted upon their return by a tin-pan serenade.

A-BOYS.

MEMBERS COMMISSION HERE.

Short Stop-Over in Gainesville Between Trains Wednesday.

The Railroad Commissioners, Hons. N. A. Blitch, R. Hudson Burr and Royal C. Dunn, were here for a few hours yesterday, arriving at 3:30 and departing at 5:40 p. m. for points along the Seaboard.

The nature of their visit could not be learned, but it is generally hoped it will prove of some relief to the citizens of this community in reference to the passenger stations that the people are compelled to use here.

A report has been current all the week that work would commence on the Seaboard improvements this week, but up to the present time nothing has been seen that would indicate a new depot at any time real soon, and it is believed that the Coast Line matter has been "dropped where it was started," for nothing has been done except for the company to submit a plan to close up west Main street near their property and which the council very wisely declined at the request of a number of citizens who had been seen regarding the railroad's intentions.

If you have pains in the back, weak back, or any other indication of a weakened or disordered condition of the kidneys or bladder, you should get DeWitt's Kidney and Bladder Pills right away when you experience the least sign of kidney or bladder complaints, but be sure that you get DeWitt's Kidney and Bladder Pills. We know what they will do for you, and if you will send your name to E. C. DeWitt & Co., Chicago, you will receive a free trial box of these kidney and bladder pills. They are sold here by all druggists.

The want ads. do more real estate business than all other brokers combined—in fact, they "start" most of the business that the brokers say.

Col. Chubb Returns.

Col. H. S. Chubb returned yesterday from Orlando and Winter Park, where he went to spend the Glorious Fourth. He states that as much as he dislikes it, Orlando will very likely defeat the Oak Halls in the contests with them for the next three days, and says that both Orlando and Sanford have scoured the country for professional players and they have them, ex-leaguers and all. Just at the present time a great war is on between Orlando and Sanford and the local interest that has been manifested shows that they will not stop at a few hundred dollars to win all games that come their way.

Leave for Home.

The St. Augustine ball players, who have been in the city since last Sunday and who suffered two shut-outs at the hands of the fast Oak Halls, returned to their homes yesterday.

THE POWER OF STEAM.

Many May See But It Takes Genius to Realize.

When James Watt saw the steam causing the kettle lid to jump up and down he said "There must be power in that steam that it can lift such a weight."

There was. Millions prior to him had seen the same phenomenon and regarded it as an unexplained mystery.

Recent scientific research has put its finger on the "cause" of Dandruff, Falling Hair, and consequent Baldness, and has unearthed a tiny germ which eats the life from the roots of human hair.

Newbro's Herpicide destroys this germ and consequently restores the hair to its natural state.

Sold by leading druggists. Send 10c in stamps for sample to The Herpicide Co., Detroit, Mich.
