WHAT WILL IT MATTER?

For the BANNER.
O, what will it matter, dear sister,
That humble our station has been,
If at last heaven's portals shall open
And Jesus shall welcome us in?
And what will it matter, dear sister,
That great ones, unhindered, passed by,
If in Jordan the Master's hall greet us:
"Fear not, timid ones, it is I!"

O, what will it matter, dear sister,
That duty demanded our all—
That, far from the home nest and darlings
We bled for the home-coming call?
What matter, what matter, dear sister,
That burdens b g n t bear,
Till we falter and faint on life's highway,
If Jesus be with us to share?

O, what will it matter, dear sister,
That through the deep waters we go,
Since the Master promised His presence
And said they shall not overflow?
What matter that loved ones, dear sister,
He matched from our fondest embrace,
If the Lord, in His royal pavilion
But give them a sheltering place?

What matter, what matter, dear sister,
Though evils on every side,
Should beset the rough pathway we travel
Since Jesus for all will provide?
What matter that hopes have been blighted
That joys have eluded us here,
If we find them all waiting our coming
When called to our home over there?

A PLEASANT PICNIC.

On Friday, June 8th, a fish picnic was given at the new residence of Mr. Geo. F. Gainer, Jr., between the Horseshoe and Dunford ponds, 3 1/2 miles southeast of Vernon. The small crowd, about 40 in number, gathered about 11 a. m., and all enjoyed themselves in a social way until the fish were cooked and dinner prepared, then all gathered about the table; grace was said by Mr. Clayton Tiller, after which all enjoyed the most pleasant duty of the day—eating. We had 40 trout ranging in weight from 1 to 1 1/2 pounds; Mr. H. B. Tiller caught the largest one. The amount of fish would have fed the same number of people several times, provided there were not too many Judges, Sheriffs, Justices, Marshals and Doctors.

Another picnic will be held at the same place on July 4th, and we would especially invite all the young ladies, as Mr. Gainer is not a married man, and it will be at his new residence.

A VISITOR.

Starvation never yet cured dyspepsia. Persons with indigestion are already half starved. They need plenty of wholesome food. Kodol Dyspepsia Cure digests what you eat so the body can be nourished while the worn out organs are being reconstructed. It is the only preparation known that will instantly relieve and permanently cure all stomach troubles. Try it if you are suffering from indigestion. It will certainly do you good. John Barfield; Dr. J. E. Brock.

KATIE BRYAN IS DEAD.

Born in April, baptized in May, she dies in June.
Dear little Katie Bryan, the third and youngest daughter of our co-laborer, Rev. W. A. Bryan, after a struggle of ten days with a fatal attack of pneumonia, gave up the battle and surrendered her spirit into the hands of her dear Master, at 1:40 o'clock in the morning of June 4th, at her father's home in Chipley, Fla. She lived but a short while, tho' young, she was crowded the beauty of her young life; paying every path with kind acts, and loving deeds.

Giving her heart to God at the age of eight, she lived henceforth for Him, and those about her. She was organizer for the Bellview Sunday School at the age of twelve; then dedicating not only her heart but her talent to God. She lived nobly and died beautifully. She tried with a faltering, tho' not a fearful voice, while death was tightening his awful grasp about her little vitals, to sing: "Is My Name Written there," and then while her little spirit was taking its leave of her dying body, she must have seen beyond the veil and beheld her name written there, for she exclaimed, as she bade all good-bye: "Arise my soul, arise, shake off thy guilty fears," and the spirit went out in the darkness. No light, for although it was night to the world, and darkness to those who so lovingly kept watch about her, to Katie it was light, glorious light, eternal light, for God had turned her night into morning, and her pains into everlasting joy.
